On Christian Doctrine Saint Augustine, 2003 There are certain rules for the interpretation of Scripture which I think might with great advantage be taught to earnest students of the word that they may profit not only from reading the works of others who have laid open the secrets of the sacred writings but also from themselves opening such secrets to others These rules I propose to teach to those who are able and willing to learn With these words Saint Augustine 354-430 AD began one of the finest theological treatments ever written on reading and interpreting Holy Scripture Pastors monks and educated laypersons cherished *De Doctrina Christiana* from the time Augustine wrote it through the Middle Ages Today if this wonderful little book is less well known it nevertheless remains as insightful as ever

On Christian Teaching Saint Augustine (Bishop of Hippo.), 1999 B There are certain rules for interpreting the scriptures which as I am well aware can usefully be passed on to those with an appetite for such study On Christian Teaching is one of Augustine's most important works on the classical tradition Written to enable Christian students to be their own interpreters of the Bible it provides an outline of Christian theology a detailed discussion of ethical problems and a fascinating early contribution to sign theory Augustine also makes a systematic attempt to determine what elements of classical education are permissible for a Christian and in the last book suggests ways in which Ciceronian rhetorical principles may help in communicating the faith This long needed completely new and up to date translation gives a close but stylish representation of Augustine's thought

and expression References to the classical background are carefully explained and Roger Green's introduction describes the aims and circumstances of the work and outlines its influence on major figures in the Middle Ages and the Renaissance
