Black Heart Robert I. Rotberg, 2023-04-28 Black Heart unveils the dual legacy of Stewart Gore Browne a remarkable figure whose journey intertwined with the colonial and post colonial histories of Northern Rhodesia now Zambia On one hand Gore Browne was a statesman and advocate for African rights championing progressive legislation and fostering dialogue that challenged the colonial status quo As Northern Rhodesia's representative at pivotal conferences he tirelessly advanced African interests in imperial circles On the other he was a quintessential English squire managing his sprawling Shiwa Ngandu estate while hosting an eclectic mix of titled guests political figures and African leaders long before such integration was socially acceptable among the settler elite His life exemplified the rare convergence of privilege reformist ideals and a profound commitment to equitable race relations in colonial Africa Drawing from an extraordinary archive of personal letters diaries and official documents this biography sheds light on the forces that shaped Gore Browne's transformation from aristocratic officer to a pioneer of African nationalism The work examines his family ties his wartime experiences and the moral convictions that led him to embrace African self governance Through interviews with key figures including President Kenneth Kaunda and meticulous research across continents the book delves into Gore Browne's complex identity and enduring influence Combining political history with personal narrative Black Heart offers an intimate portrait of a man who stood out as both a settler and a champion of African liberation making a profound impact on the trajectory of modern Zambia This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977

Black Power in South Africa Gail M. Gerhart, 2023-04-28 This book better than any I have seen provides an understanding of the politics and ideology of orthodox African nationalism or Black Power in South Africa since World War II from the Youth League of the African Student National Congress ANC of the late 1940s to the South African Student Organization SASO and the Black Consciousness Movement of the 1970s Perspective Clarifies some of the main issues that have divided the black leadership and rescues the work of some pioneering nationalist theorists It's an absorbing piece of history New York Times Informative and well researched She ably explores the nuances of the two main movements until 1960 and explains why blacks were so receptive to black consciousness in the late Sixties New York Review This book better than any I have seen provides an understanding of the politics and ideology of orthodox African nationalism or Black Power in South Africa since

World War II from the Youth League of the African Student National Congress ANC The International Politics of Eurasia: v. 9: The End of Empire? Comparative Perspectives on the Soviet Collapse S. Frederick Starr, Karen Dawisha, 2016-09-16
 First Published in 1997 This book is the ninth in a series of volumes produced by the Russian Littoral Project The project shares the conviction that the transformation of the former Soviet republics into independent states demands systematic analysis of the determinants of the domestic and foreign policies of the new countries The series of volumes is intended to provide a basis for comprehensive scholarly study of these issues This volume was shaped by the author's view that future scholarship about the post Soviet world requires both specialized research and broad gauge studies that carefully juxtapose the breakup of the Soviet empire with the transformation of other multinational empires **Africanizing Anthropology**
 Lyn Schumaker, 2001-07-12 An innovative cultural study of a major site of British anthropology done with methods from the history of science detailing the development of methods practices and work culture in the colonial context **Copper Empire** Larry Butler, 2007-10-11 This is a study of the evolving relationship between the British colonial state and the copper mining industry in Northern Rhodesia from the early stages of development to decolonization encompassing depression wartime mobilization and fundamental changes in the nature and context of colonial rule *Confrontation and Accommodation in Southern Africa* Kenneth Grundy, 2023-04-28 *Confrontation and Accommodation in Southern Africa* The Limits of Independence examines the complex regional dynamics racial tensions and political maneuverings within southern Africa during a period of profound social and political upheaval The book delves into the interplay of economic political racial and military variables offering a comprehensive study of regional international relations It highlights the interactions among states and non state actors in a system fraught with conflict exploring themes such as race's role in policy the ideological divides between black and white governed territories and the profound effects of guerrilla warfare and politico military confrontations With a focus on intra regional patterns the book sheds light on the connections between southern Africa's sub system and the broader global context Authoritative and extensively researched this work contextualizes the relationships among territories from Angola and South Africa to Tanzania and Madagascar Through its multidimensional approach the book provides valuable insights into the evolving diplomatic economic and social networks in the region It also critiques the power structures perpetuated by white dominated regimes and the counter efforts of liberation movements *Confrontation and Accommodation in Southern Africa* is a vital resource for understanding the historical and ongoing complexities of this pivotal region making it indispensable for scholars and policymakers alike This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973
