Grinnell, 2015-07-10 Excerpt from *Blackfoot Lodge Tales the Story of a Prairie People* We were sitting about the fire in the lodge on Two Medicine Double Runner Small Leggings Mad Wolf and the Little Blackfoot were smoking and talking and I was writing in my note book As I put aside the book and reached out my hand for the pipe Double Runner bent over and picked up a scrap of printed paper which had fallen to the ground He looked at it for a moment without speaking and then holding it up and calling me by name said Pi nut u ye is tsim okan this is education Here is the difference between you and me between the Indians and the white people You know what this means I do not If I did know I should be as smart as you If all my people knew the white people would not always get the best of us Nisah elder brother your words are true Therefore you ought to see that your children go to school so that they may get the white man s knowledge When they are men they will have to trade with the white people and if they know nothing they can never get rich The times have changed It will never again be as it was when you and I were young You say well Pi nut u ye is tsim okan I have seen the days and I know it is so The old things are passing away and the children of my children will be like white people None of them will know how it used to be in their father s days unless they read the things which we have told you and which you are all the time writing down in your books They are all written down Nisah the story of the three tribes Sik si kau Kainah and Pikuni About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
