Black Winning Jockeys In The Kentucky Derby:

Black Winning Jockeys in the Kentucky Derby James Robert Saunders, Monica Renae Saunders, 2015-10-03 Oliver Lewis was champion jockey of the Kentucky Derby in 1875 with a winning race time of two minutes and 37 seconds Jockey Willie Simms won in 1896 bringing his horse in at two minutes and seven seconds James Winkfield was the winning jockey in both 1901 and 1902 with winning race times of two minutes and seven seconds and two minutes and eight seconds respectively Each of these men possessed the skill and power necessary to spur a horse to glorious victory All are members of the small select group of Derby winning jockeys who were African Americans The stakes were high Black jockeys who won a race in the late 1700s and 1800s sometimes won freedom from slavery as well This work examines the presence of black jockeys in the Kentucky Derby from the first instance of slaves working as stable hands and tending their masters horses to the first black jockey to win the prestigious Kentucky Derby in 1875 and the continued participation of black jockeys in the Kentucky Derby Black owners and trainers in the Kentucky Derby are also discussed Three appendices list black winning jockeys black trainers and black owners of Kentucky Derby horses

The Great Black Jockeys Edward Hotaling, 1999 More than a century before Jackie Robinson broke the color barrier in major league baseball black athletes were dominating America's first national sport The sport was horse racing and the greatest jockeys of all were slaves and the sons of slaves Cheered by thousands of Americans in the North and South they rode to victory in all of the major stakes including the very first Kentucky Derby Although their glory days ranged from the early 1700s to the turn of the 20th century the memory of these great black jockeys was erased from history Who were these athletes and why have their names vanished without a trace This may be the most fascinating untold sports story in American history We are lucky that it is so well told now by Mr Hotaling in his wonderfully written book Charles Osgood anchor CBS News Sunday Morning The Great Black Jockeys is the first book about the lives and times of the forgotten men whose extraordinary skills were a wonder to behold men with names like Honest Ike Murphy Abe Hawkins Willie Simms Austin Curtis Jimmy Winkfield and dozens more This is also a story of a young country where whole towns turned out in cleared fields to cheer and place wagers on magnificent horses and the men who rode them and where the greatest athletes in the land were the property of others For fleeting moments on the racecourse black riders in colorful silks tasted the glory and freedom that slavery had denied them In The Great Black Jockeys the exploits and courage of America's earliest and best athletes are finally remembered
