This is just a test journal for seeing how I do at bullet journaling. In fact for the hardest part is finding a pen that doesn't leak / smear & write really small. I don't enjoy writing that small I think I need trying them for my letters for sure.

But some really fine points pass through!
I hope they are able to be high-birds now
themselves.

Love you very much. I cannot afford that. I have way too much for them. May go to the shop for vacation. I am afraid that we are going to run into each other too much.

Owed for him an hour earlier salary because I
received just now over I truly hate myself to
the everything about me. Really, profaning heavily
but I have no idea how to fix it other than
difficultly changing myself again. I I really
don't want to be able to live all over again. I just
want to be able to live my life with wanting to
die or living every insignificant thing I
do or have done or that so hard. I
apparently, yes.

It is almost 10 AM & the house
cleaning has already begun. I
see only 3 men of color. I am
looking for working the clothes
baskets, new & old.

Anyway, with my busy life out
back of today I don't really hope
that after 3 years it's finally
done at this point. Well, I do
know I shouldn't think it, but it feels in-
credibly comforting. Oh well, that's all
too much longer now.

Today, with a full flow of emotions, but by the end of the night, I managed to cheer me up quite a bit. So that was nice.

Wednesday, June 14th, 2014

Yesterday I gave [unclear] a ride to
[unclear] before their car is stalled after a long
yart into a ditch so avoid a day on
the road (or, at least, that's what they
are telling everyone). Anyway, it was a
fun find all them & both & even gave me
for a bit & still wasn't even out-
riderly hostile. Overall, not a bad
night. No matter.

Today I didn't even wake up until 2 pm then I drove home (gas is hot again) & left some more @ home. Still gotta like the better though, why? Because today was a good rainy day flow all the excitement of yesterday, so not, up to Henry!
