American English Primary Colors is a new 4 level course for young learners from six to eleven years old *My Christian Journey: In Places Lived* Marianne Dorman, 2016-01-06 Over the years people have commented Why don't you write about

your life To write a chronological autobiography never appealed to me Thus I abandoned the idea until about five years ago when having morning tea with my Byzantium scholar friend in Sydney We were discussing some aspect of Classical Roman history when the subject of genius loci spirit of the place entered our conversation On the bus back to my flat in Lane Cove this idea kept niggling at me Perhaps I could write about the places loci in which I have lived and the effect of these on my Christian journey firstly as a child then as a student wife mother educator writer and an admirer of all that is beautiful as expressed in most music worship in the Eastern and some Western traditions literature painting people and the natural world The result is this book beginning in a small country town Cowra some three hundred kilometres south west of Sydney Australia then to a smaller island Great Britain where I lived mainly in Oxford and ending on yet a smaller island in Puget Sound Whidbey close to the Canadian border As well as being influenced by various places so by people These include Fr John Hope of Christ Church St Laurence Sydney as a teenager and the Lady Margaret Professor in Oxford Dr Rowan Williams when I first arrived in this University City Perhaps the person who influenced me mostly was not one I actually met in person but came to know through my research He is the divine Lancelot Andrewes who has been part of my life for more years than I can remember and whose sermons and devotions are embedded in my being In later years I have been grateful to the renowned biblical scholar Fr Raymond Brown who gave me a fresh and scholarly understanding of the New Testament Last but not least has been the Franciscan Fr Richard Rohr who has taught me the necessity of non dualistic consciousness for spiritual growth As much as places and people have helped to shape me none has more than the Potter and Pantocrator who has moulded and reshaped this lump of clay constantly in my Christian journey The Limit Ada Leverson, 2022-11-22 In Ada Leverson s The Limit readers are seamlessly transported into the world of Valentia and Romer Wyburn a couple engaged in the timeless and oft satirized dance of matchmaking within the British upper class Leverson s prose is infused with wit and a sharp social insight sketching an intricate portrait of Edwardian manners and malaise The narrative invoking the literary style reminiscent of Oscar Wilde s drawing room comedies captures the delicate balance between societal expectations and personal ambition as the Wyburns endeavor to secure a favorable alliance for their daughter Daphne with the scion of the prestigious Van Burens The book embeds itself in the reader s consciousness not only as a critique but also as an homage to the era it represents rich in detail and character nuance nnAda Leverson a contemporary and friend of Wilde himself is often hailed as a leading light in the transition from Victorian to more modernist literary currents Her own experiences and observations of high society imbue The Limit with authenticity and comedic edge offering readers a delightful yet piercing look into the ambitions and machinations of her period s elite Leverson s flair for dialogue and her subtle introduction of feminist undertones distinguish her work as both entertainment and social commentary nnRecommended for aficionados of classic English literature and those with an appreciation for smartly crafted social comedy The Limit offers a witty charming yet discerning probe into the grandeur and pretenses of a bygone era Beyond its historical value the book satisfies a

contemporary audience with its engaging plot and timeless humor capturing the absurdity of societal rituals that albeit in altered forms persist to this day *The Limit* is a remarkable reminder of the enduring power of satire and the insightful reflections literature can offer on the human condition *Streets of Night* John Dos Passos,1990 A novel begun in college and then reworked for seven years this work mirrors the author s experience at Harvard and in greater Boston The novel reflects young Dos Passos s interests in aestheticism Greek and Roman culture and Walt Whitman **Labyrinths of Deceit** Richard J. Walker,2008-01-01 An Open Access edition of this book is available on the Liverpool University Press website and through Knowledge Unlatched Prominent citizens in nineteenth century England believed themselves to be living in a time of unstoppable progress Yet running just beneath Victorian triumphalism were strong undercurrents of chaos and uncertainty Richard Walker plumbs the depths of those currents in order to present an alternative history of nineteenth century society Mining literary and philosophical works of the period Walker explores the crisis of identity that beset nineteenth century thinkers and how that crisis revealed itself in portrayals of addiction split personalities and religious mania Victorian England will never look the same Nation Maker Richard J. Gwyn,2012-08-21 1 NATIONAL BESTSELLER John A Macdonald Canada s first and most important prime minister is the man who made Confederation happen who built this country over the next quarter century and who shaped what it is today From Confederation Day in 1867 where this volume picks up Macdonald finessed a reluctant union of four provinces in central and eastern Canada into a strong nation despite indifference from Britain and annexationist sentiment in the United States But it wasn t easy Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang Indelibly Gwyn shows us Macdonald s love of this country and his ability to joust with forces who would have been just as happy to see the end of Canada before it had really begun creating a must read for all Canadians **News from Nowhere, or an Epoch of Rest: Being Some Chapters from a Utopian Romance (1891)** William Morris,2016-04-03 This early work by William Morris was originally published in 1899 and we are now republishing it with a brand new introductory biography William Morris was born in London England in 1834 Arguably best known as a textile designer he founded a design partnership which deeply influenced the decoration of churches and homes during the early 20th century However he is also considered an important Romantic writer and pioneer of the modern fantasy genre being a direct influence on authors such as J R R Tolkien As well as fiction Morris penned poetry and essays We are republishing these classic works in affordable high quality modern editions using the original text and artwork
