Outrageous Fortune Patricia Wentworth, 2016-04-26 A man survives a shipwreck only to find his memory wiped clean and a stranger at his bedside claiming to be his wife The Alice Arden was bound for Scotland until she hit a nasty current and was smashed to bits on the rocky cliffs off the coast of Sussex A man believed to be a survivor of the shipwreck is found unconscious and taken to the hospital Lost for almost thirty six hours the man lying in a strange bed has no memory of who he is Yet images haunt him a light swinging down in the fog illuminating a string of enormous emeralds and pearls And now a woman has come for him Nesta Riddell claims that he's her husband Jimmy Riddell Caroline Leigh suspects the man in question is her distant cousin Jim Randal who was supposed to be on the doomed steamer With nothing but a torn scrap of paper she embarks on a quest that takes her to a village in the English countryside As Caroline searches for answers the man she's trying to save struggles to fill the gaps in his memory But the more he remembers the greater the danger he and Caroline face because someone will do anything to retrieve a priceless cache of stolen jewels someone who has killed before and is prepared to kill again

Marriage During Deployment Marna Ashburn, 2017-10-06 Since combat operations began in October 2001 more than 2.1 million U.S. service members have been deployed to Iraq and Afghanistan and over half of them were married Marriage During Deployment a memoir about a military family during wartime deployment offers a window into the homelife and emotional world of a military family during deployment During her husband's Army deployment to Afghanistan Marna Ashburn shows the mother handling everything teaching the child to drive attending little league games and school events solo fixing broken dishwashers and cars and celebrating holidays without dad Marriage During Deployment depicts how the children and mother cope during the absence of their military member and how they stay connected to him while he is six thousand miles away from them But while families try to stay connected during deployment it can certainly be tough on them and even tougher on the relationship The truth is that geographical distance allows habits and coping mechanisms to fall away revealing some long ignored issues In the end Marriage During Deployment becomes a meditation on marriage relationships and identity prompting the reader to question whether the couple can survive the life changing year of deployment The accumulation of missed moments inevitably creates a distance which may prove irreparable Between the heartbreaking send offs and the joyful reunions there's this a year of separation distance challenges anxiety and loneliness While providing you with an honest portrayal of resilient kids and a can do military wife Marna Ashburn also reveals the hidden costs of Army service

The Cultural

Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game, for example pinch hitter and out in left field, have become common in our everyday language. From AARON HENRY onward, this book covers all of what might be called the cultural aspects of baseball as opposed to the number-rich statistical information so widely available elsewhere. Biographical sketches of all Hall of Fame players, owners, executives, and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners, and league presidents. Advertising agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.
