Almost A Childhood

Ellen McGinnis, Arnold P. Goldstein

Almost A Childhood:

Children ,1971 **Florida's Economic Future and the Child Care Crisis for Families** United States. Congress. House. Select Committee on Children, Youth, and Families,1987 Report to Congress on Fiscal Year 1991 Maternal and Child Health Activities and Health Status United States. Maternal and Child Health Bureau,1995 **Imagining Childhood** Erika Langmuir,2006-01-01 The images of children that abound in Western art do not simply mirror reality they are imaginative constructs representing childhood as a special stage of human life or emblematic of the human condition itself In a compelling book ranging widely across time national boundaries and genres from ancient Egyptian amulets to Picasso s Guernica Erika Langmuir demonstrates that no historic period has a monopoly on the discovery of childhood Famous pictures by great artists as well as barely known anonymous artefacts illustrate not only Western society s perennially ambivalent attitudes to children but also the many and varied functions that works of art have played throughout its history

Diseases of the Nares, Larynx and Trachea in Childhood Thomas Nichol,1885 **Pediatric Psycho-oncology** Shulamith Kreitler,Myriam Weyl Ben-Arush,Andrés Martin,2012-08-13 Like the ground breaking first edition Pediatric Psycho oncology Second edition puts the child at the centre of medical and psychological care It broadens the focus beyond treatment and cure to consider the quality of life of the child and their family Written by an international group of pediatric oncologists and psychologists psycho oncologists brought together by an expert editorial team it focuses on the real life practical aspects of children undergoing treatment for cancer This edition has been restructured and opens with a major section on Active treatment which includes chapters addressing quality of life pain psychosocial aspects of treatment and interventions art therapy and different fantasy based techniques palliative care communication and education as well as a new chapter on psychopharmacology Shorter sections then discuss survivorship and care of the dying child including a new chapter on bereavement The final section comprises new chapters on ethical considerations and on addressing the emotional needs of children whose parents have cancer as well as a case study on international collaboration An appendix provides a comprehensive overview of tools for evaluation and assessment in pediatric psychooncology This book is a highly practical resource that will be invaluable for all health care professionals looking after children and adolescents with cancer Praise for the first edition a welcome addition to the field I highly recommend it to all health care professionals involved in the treatment of childhood cancer patients Journal of the American Medical Association November 2004 The Drifting Clouds Gary L. Edgar,2018-02-26 This is the story of Tran Van Tuan a Vietnamese man struggling to survive through wars six decades of hardship and the ever present threat of death so he could realise his dreams Born in North Vietnam during World War II Tuan is abandoned in infancy by his father The family is forced to flee the post war fighting between the returned French colonialists and the Viet Minh nationalists A harrowing period as refugees ends with the defeat of the French and the family exodus to Saigon Journey with Tuan through the desperate years of what the Vietnamese call the American War the

death of his beloved mother his fight to educate himself and rise above poverty his eventual marriage and the chaos and drama of the fall of Saigon to the Communists Tuan clings to the dream of freedom as he faces the threat of execution forced labour camps the collapse of his marriage and a final daring escape by boat that almost ends in death Repatriated to Australia from a Malaysian refugee camp he strives against the odds once again to fulfil his destiny as an artist committed to portraying the sufferings of his generation through his visionary canvases Compelling courageous and immensely touching The Drifting Clouds speaks simply yet eloquently of the indomitable nature of the human spirit that sustains hope even in the darkest hours

Skillstreaming the Elementary School Child Ellen McGinnis, Arnold P. Goldstein, 1997 This newly revised book is divided into five skill groups classroom survival skills friendship making skills dealing with feelings alternatives to aggression and dealing with stress Within these skill groups the authors provide strategies for teaching 60 specific prosocial skills such as asking for help saying thank you accepting consequences using self control making a complaint and dealing with group pressure Appendices contain program evaluation forms and a 42 page annotated bibliography of Skillstreaming research

To the Memory of Childhood Lidia Korneevna Chukovskaya, 1988 For years Lydia Chukovskaya's support for persecuted writers cut her off from her own audience Even her name was banned in the USSR and she was expelled from the Union of Writers in 1974 Though unable to publish at home and cut off from contacts with readers and editors Chukovskaya continued to write To the Memory of Childhood her loving chronicle of growing up beside the Gulf of Finland with her father the writer Kornei Chukovsky reveals the sources of her strength and her belief in the power of the written word Her father is a household name in Russia because of his tales in verse for children But his literary accomplishments ranged far beyond bedtime stories As a critic he wrote controversial articles and lively profiles of cultural figures as a translator he introduced Whitman Twain Kipling and Wilde to Russian readers When his children's literature was attacked in the 1920s and 1930s he turned to editing scholarship and articles on translation A man of boundless energy he played a vital role in his country's cultural life until his death in 1969 I am not writing Kornei Ivanovich's biography Chukovskaya says but he was the author of my childhood

Diseases of Children John Lovett Morse, 1925
