

Alone Together Single Parent Activity

Robert B. Edgerton

Alone Together Single Parent Activity:

Alone Together Jim Boulden,1991-12-01 Buddy relates his experience of growing up alone with his dad Alone Together Paul R. Amato,Alan Booth,David R. Johnson,Stacy J. Rogers,2009-06-30 Based on two studies of marital quality in America twenty years apart Alone Together shows that while the divorce rate has leveled off spouses are spending less time together The authors argue that marriage is an adaptable institution and in accommodating the changes that have occurred in society it has become a less cohesive yet less confining arrangement **The Parent App** Lynn Schofield Clark,2013 New technologies offer new ways for families to connect access ideas and entertainment and manage the risks faced by children and teens but they also bring more responsibilities choices and challenges Clark argues that families experience digital and mobile technologies in their children s lives especially during the preteen and teen years quite differently depending on whether they are middle class or less advantaged Based on over ten years of interviews hundres of parents and children The Parent App explores these differences and provides the kind of guidance backed by thorough research that parents today desperately need **Parenting Alone: Thriving as a Single Parent** Pasquale De Marco,2025-07-27 Parenting Alone Thriving as a Single Parent is a comprehensive guidebook and resource for single parents navigating the challenges and joys of solo parenting With empathy understanding and a wealth of practical advice this book empowers single parents to build fulfilling and successful lives for themselves and their children This book delves into the complexities of single parenting offering insights and strategies for embracing the role overcoming obstacles building resilience and creating a supportive network It explores the dynamics of co parenting providing guidance on communication conflict resolution and creating a harmonious co parenting environment Financial stability is a common concern for single parents and this book provides practical advice on budgeting securing financial assistance and achieving financial literacy It also delves into various parenting styles emphasizing the importance of nurturing healthy child development through positive discipline and fostering strong parent child relationships Beyond parenting this book addresses the importance of prioritizing family health and well being covering topics such as nutrition physical activity mental health preventive care and emergency preparedness It provides insights into choosing the right school supporting academic success and encouraging children s social and emotional development This book recognizes that single parents are individuals with unique needs and aspirations It offers guidance on overcoming loneliness and isolation pursuing personal growth achieving financial stability building fulfilling relationships and leaving a lasting legacy With its comprehensive coverage of all aspects of single parenting Parenting Alone Thriving as a Single Parent is an invaluable resource for single parents seeking to navigate the complexities of solo parenting and build a fulfilling and successful life for themselves and their children If you like this book write a review **Urban Childhoods** Claire Cameron,2025-09-22 Growing up in English inner cities today is a distinctive experience deprivation and poverty are intense while social and cultural diversity enriches everyday life Urban Childhoods puts children s and families

voices centre stage while investigating ways of bringing children's wellbeing to the fore in planning for urban life today and tomorrow Children's wellbeing starts from what children themselves find important reliable relationships plenty to do especially outdoors and having a say in their lives Organised around three main themes of place provisioning and infrastructure the book brings together key concepts from critical childhood studies urban studies and public health to argue that used together these approaches offer a dynamic framework for considering urban childhood Chapters are linked to a major prevention programme that ran between 2019 and 2025 in the northern city of Bradford and the London Borough of Tower Hamlets They investigate spaces to play outdoors reclaiming school streets child poverty economic support for child wellbeing via families and provision for under threes A number of strategies also feature including support for mothers mental health resolving overcrowding involving children in making better school food and increasing community participation in co creating health and wellbeing Each chapter has sections on inequality of experience voices of children families and professionals who work with them and hopeful courses of action including potential policy actions The whole builds into a blueprint for an urgently needed thriving urban childhood

Female Forms Thomas, Carol, 1999-08-01 What is the relevance of feminist ideas for understanding women's experiences of disability How can the social model of disability be developed theoretically What are the key differences between Disability Studies and medical sociology In answer to these questions this book explores and develops ideas about disability engaging with important debates in disability studies about what disability is and how to theorize it It also examines the interface between disability studies women's studies and medical sociology and offers an accessible review of contemporary debates and theoretical approaches The title *Female Forms* reflects two things about the book first its use of disabled women's experiences as told by themselves to bring a number of themes to life and second the author's belief in the importance of feminist ideas and debates for disability studies The social model of disability is the book's bedrock but the author both challenges and contributes to social modelist thought She advances a materialist feminist perspective on disability producing a book which is of multi disciplinary relevance *Female Forms* will be useful to the growing number of students on Disability Studies courses as well as those interested in women's studies medical sociology and social policy It will also appeal to those studying or working in the health and social care professions such as nursing social work occupational therapy and physiotherapy

Alone Together Robert B. Edgerton, 2023-11-15 In *Alone Together Social Order on an Urban Beach* the focus is on the social dynamics and unwritten rules governing interactions at Southland Beach a popular urban Southern California beach With millions of visitors each year Southland Beach draws a diverse crowd including locals tourists and people from various socio economic backgrounds all converging in close quarters Despite the potential for conflict due to its dense and varied population the beach generally remains a peaceful and enjoyable place The study explores how beachgoers navigate personal space behavior expectations and the presence of authority figures like lifeguards and police often creating an unspoken order among themselves

Southland Beach has evolved from a space primarily frequented by beach people locals with a deep connection to the beach to an urban attraction visited by millions. The research examines how strangers from different backgrounds manage to coexist in a shared space where typical urban concerns like distrust and social fragmentation could easily lead to conflict. The study explores whether the beach can maintain its reputation as a haven for relaxation and leisure given its transformation into a microcosm of city life with all its potential challenges. Factors like limited clothing proximity and occasional substance use could introduce tension yet a unique often implicit social structure keeps interactions largely harmonious. The book aims to analyze this balance between enjoyment and potential disorder questioning how a community of strangers can coexist so closely without formalized rules. The study applies insights from sociology and anthropology to understand the beachgoers' shared practices revealing how informal norms and individual expectations of behavior contribute to a functional if fragile social order. Through observation and interviews the research delves into the varying roles of lifeguards, police, and beachgoers themselves in shaping and maintaining this social environment, illuminating the intricate yet resilient order that defines life on Southland Beach. This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high quality peer-reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1979.

Proceedings, 1987

What Works in Stepfamilies
Lawrence Ganong, Marilyn Coleman, Caroline Sanner, 2024-11-21. This book uses a strengths-based approach and resilience perspective to offer guidance on what works in creating effective stepfamily relationships, sharing findings and empirically supported best practices for stepfamily members and the family professionals that work with them. Drawing from over 2,500 studies, Ganong, Coleman, and Sanner present a comprehensive overview of research on what works to create positive and satisfying stepfamily relationships. Chapters address how to work with stepcouples, stepparents, biological parents, co-parents, stepsiblings, and half-siblings, and biological and stepgrandparents, with illustrative case studies throughout. It emphasizes the diversity and complexity of stepfamilies, including work with LGBTQ stepfamilies, stepfamilies from various racial and ethnic groups, and stepfamily relationships across the life course, from childrearing stepfamilies to those formed later in life. This book is essential reading for students, researchers, and practitioners interested in strengthening stepfamily relationships, such as those studying or working in family science, marriage and family therapy, psychology, and social work.
