were story books and coloring books two whole shelves colored pencils crayons and paints Each bedding and drapery piece had ruffles and lace A rocking horse a swing hoops and skipping ropes He swept the room with a quick glance and closed the door The room was a bit messy proof that someone had played in there but not a complete bomb site certainly not messy enough to warrant disciplinary action Back at the foot of the stairs he wondered to himself how he had done and heard the noise from the movie theater before He went in that direction and as he turned the corner he could see the back of her head eclipsed by the cinema style seat the movie was projected on the wall beyond her an old classic cartoon fairy tale He coughed loud enough to be heard over the music She bounced off the chair and turned around almost unable to contain herself she screamed and ran towards him arms in the air her blonde pigtails waving Daddy She cried She was about to throw herself into his arms but he straightened up straightened his back and crossed his hands on his chest She stopped dead for a moment she was confused but her misdeed returned to him and she lowered her head though she hoped it wasn't that She had hidden the packaging in the large bin outside He leaned around her over the chair and muted the sound in the cinema then stood up to above her Tell me what's the rule about eating chocolate between meals He said his voice was as harsh as his back was straight No chocolate or candy between meals She told him back her hands twisting and waving in front of her So do you have something to tell me He said Nooo She said in a low voice tilting her head forward a little Are you sure He asked after a short pause she shook her head She was sure she could bluff but he had other ideas He reached out
