Aspects Of Christian Integrity:

Aspects of Christian Integrity Alan P.F. Sell,1998-05-13 Integrity means both honesty and wholeness Alan Sell examines this concept by posing some searching questions Is Christian thought an intruder in secular education How are crucial Christian doctrines to be held together On what grounds should churches address ethical issues Does Christian disunity deny the gospel Is Christian mission justifiable in a pluralistic world How can local churches become better centers of pastoral integrity Sell addresses each of these important issues in separate chapters of this scholarly yet readable book

The Ten Commandments and the Beatitudes Yiu Sing Lúcas Chan,2012-09-20 The Ten Commandments and the Beatitudes are often considered significant texts for the Christian moral life However most interpretations of these passages either focus on the original meaning of the text or how the texts should impact ordinary living today In The Ten Commandments and the Beatitudes Yiu Sing L c s Chan brings together biblical studies and Christian ethics to look at these foundational texts in a new way For each passage Chan asks both what the texts meant and what they mean today He helps readers to carefully study the text s original meaning then interpret the text within a sound ethical framework The Ten Commandments and the Beatitudes is an excellent introduction to key concepts in biblical studies and Christian ethics that combines sound study with warmth and wisdom

In His Footprints John Ramasamy,2013-06-24 This book is a call for a radical commitment to following Jesus in terms of His conditions It laments the fact that too many professing Christians are contented with a very comfortable form of religion without dedicating themselves to the cause of the gospel Disciples are those who make things count They are never satisfied with the status quo They desire to see revival and renewal wishing to see lives transformed and numerical growth in the Church There is a passionate desire to fulfil the call of God on their lives They become an integral part of the vision and mission of their churches
