The Belles Lettres Papers Charles Simmons, 2014-02-04 DIVDIV The everyday insanity of life at a fictional literary review divDIV The journal Belles Lettres has a long and storied history which is what enticed young editor Frank Page over its threshold in the first place But Frank did not anticipate the infighting backstabbing and utter oddity that are all business as usual at the respected magazine Still nothing can match Frank's thrill at discovering a new literary phenom divDIV But the book industry seems to be on the decline Integrity is going extinct as conglomerate giants gobble up smaller organs and trample innovation and daring into the muck of commerciality At least Frank's position gives him a front row seat at the publishing world's fight of the century as deposed editorial icon Jonathan Margin takes on self-serving corporate overseer Newbold Press in an ink splattered battle to the death div div Papers and Proceedings American Library Association. Annual Conference, 1928 Examination Papers College of the City of New York (1926-1961), 1853 *The Papers of Benjamin Franklin* Benjamin Franklin, 2024-01-02 This volume in the venerable Papers of Benjamin Franklin covers March 16 through September 12 1785 Franklin's final days as minister to France and his voyage home This volume covers Franklin's final months as minister to France and his voyage back to America He received his long awaited permission from Congress to return home accepted the king's parting gift of a miniature portrait surrounded by diamonds settled his accounts and arranged passage for himself and his two grandsons on a ship bound from England to Philadelphia Franklin instructed the French government on the culinary uses of maize and wrote a lengthy eye witness account of China that includes directions for making tofu His last public act in France was signing the Prussian American Treaty of Commerce which contained three unprecedented articles the two he wrote in 1782 guaranteeing protections during wartime for noncombatants and a third guaranteeing humane treatment for prisoners of war On the English coast Franklin met with his Loyalist son William and witnessed William's signing over his American property to his son William Temple Franklin Aboard the London Packet Franklin wrote three scientific papers including the copiously illustrated Maritime Observations His original line drawings are reproduced here for the first time The volume ends with an appendix containing supplementary documents from the French mission The Preobrazhensky Papers Mikhail M. Gorinov, 2014-03-10 Historians generally recognise E A Preobrazhensky as the most famous Soviet economist of the 1920s English language readers know him best as author of *The New Economics* and co author with N I Bukharin of *The ABC of Communism* The documents in this volume many newly discovered and almost all translated into English for the first time reveal a Preobrazhensky previously unknown whose interests ranged far beyond economics to include not only party debates and issues affecting the lives of workers and peasants but also philosophy world events and Russian history culture and politics Including moments of triumph and tragedy they tell an intimate story of political awakening and of commitment to socialist revolution as the path to human dignity *Paper in Medieval England* Orietta Da Rold, 2020-10-01 Orietta Da Rold provides a detailed analysis of the coming

of paper to medieval England and its influence on the literary and non literary culture of the period Looking beyond book production Da Rold maps out the uses of paper and explains the success of this technology in medieval culture considering how people interacted with it and how it affected their lives Offering a nuanced understanding of how affordance influenced societal choices Paper in Medieval England draws on a multilingual array of sources to investigate how paper circulated was written upon and was deployed by people across medieval society from kings to merchants to bishops to clerks and to poets contributing to an understanding of how medieval paper changed communication and shaped modernity
