Being Gifted Because You're Special From The Rest:

You are God's Church Lorraine Holloway-White, 2016-08-02 We as individuals make up God's Church not buildings or religion People leaving religion also left God behind Why Can they come back to Him would they want to This is about good people from all walks of life coming together no matter beliefs or unbelief's With or without God with or without religion It talks of uniting the world rather than keeping it divided as it is now It's a book of love peace and of coming together A coming together of all people no matter what race religion age size sex colour lifestyle preferences or anything else It also explores about supernatural gifts and how to test the spirits of those dead and living A subject the church refuses to acknowledge thereby pushing so many into false gods and spiritual practices This book is packed with far more than is able to be listed here but it is a book everyone should read if they want to make a difference to the world we see and live in today

Focusing on Your Dreams Steven H. Lewis, 2006-05-05 Focus begins with a

good attitude You have the ability to transform your life and soar like an eagle to new heights of success and fulfillment Whether your attitude is positive or negative or somewhere in between the tools that are given to you in this book will allow you to move forward no matter where you are in life or what position you are in presently Always remember there is light at the end of tunnel This book will show you how to take control of your life and unleash your incredible potential It's filled with inspiring stories and easy to understand success principles Steven H Lewis presents this book with sincerity clarity and impact in a way that will inspire you to develop your skills to their full potential and bring out the greatness that's within you You'll begin to see new possibilities You'll take action to develop your unique talents and you will achieve extraordinary results Eighty-five percent of anything that you do begins with a good attitude it doesn't matter what it is Initially this book was going to be centered on what it takes to become a professional athlete After discussing this topic with my literary agent in a five hour phone conversation playing battle of the wits he won and gave me a new and better idea for writing this book First of all I want to thank Mark Pavlovich for giving me the vision to be able to reach everyone in the world It doesn't matter what your goals are this book pertains to everyone I feel sure that you will find what is written here extremely powerful and intriguing This book will give you an insight into and the motivation for self development through personal improvement Through the guidelines that are presented here you will obtain your personal goals This book will give the information essential to reach your ultimate goals This book is not pertaining to becoming a professional athlete the tools that you are given throughout 18 FOCUSING ON YOUR DREAMS the contents of this book will apply in anything you do in life This book is about self improvement and it will give you simple clear guidelines on how to obtain your goals This book includes three different personalities and three directions in life the final outcome will be the same With determination dedication desire and passion we got to where we are now We lived through traumas and devastations I have integrated into this book the importance of knowing where you have been in your life Life appeals to everyone and it matters how you handle it how you start and how you finish It doesn't matter what your goals in life are You have a starting point and a finish line In order to complete each task it is imperative to stay focused on your goal Please don't misinterpret this book as just being about professional athletes we only are sharing our own personal experiences I hated my past however I couldn't allow my past to affect my future It enhances what I am doing today because I am now able to reflect on the many setbacks that I'd had to go through in my life My past only gave me the opportunity to move on to the next level Progress is not based on how people view you Rather it is based on how you see yourself as an example When you are in the last place and your expectations are not very high you can't lose focus But when you finish the season and you go to the finals and you do your best and have

high expectations but lose anyway then at least you know in your heart you did your best This is what you call fulfilling success So again it doesn't matter where you end up what counts is that you gave it your all Sometimes you have to give up things in order to pursue where you want to be You have to be creative when setting goals for yourself and see beyond your finger next to your nose however your finger is your vision your creativity goes beyond what is in front of you By being creative y Fight with the Dark Susannah Welch, 2022-10-01 Join Rose Wilder and the rest of the crew as they continue their adventure in Fight with the Dark Prepare to be swept into a world of beautiful magic shocking twists and breathless fairy tale romance Inside you will find a sweet slow burn romance with a swoon worthy couple and a happily ever after at the end of each trilogy Fight with the Dark is Book 5 in the City of Virtue and Vice series If you enjoy strong heroines fantasy worlds elemental magic and sweet romance then try the City of Virtue and Vice series today KEYWORDS ya fantasy romance sweet fantasy romance ya fantasy fairy tale romance young adult fantasy young adult fantasy romance romantic fantasy strong heroine fantasy strong female lead clean fantasy romance sweet fantasy romance free free fantasy romance free young adult fantasy slow burn magic romance enchanted magic epic love story coming of age fantasy PERFECT FOR FANS OF Elise Kova Sylvia Mercedes Alisha Klapheke Tara Grayce Casey L Bond Emma Hamm Miranda Honfleur Shari Tapscott Frost Kay Deborah Grace White Shannon Mayer K F Breene Juno Hart Laura Greenwood Lindsay Buroker Naomi Novik
