(Historian.)

ILLUSTRATED.

*Contentions fierce,
Ardent, and dire, spring from no petty cause.—SCOTT.*

ST. PAUL, MINNESOTA.

1892.

Berdans United States Sharpshooters 1st Edition

Brett Barker

Berdans United States Sharpshooters 1st Edition:

Berdan's United States Sharpshooters in the Army of the Potomac, 1861-1865 Charles Augustus Stevens, 1892

Exploring Civil War Wisconsin Brett Barker, 2003 The innovative format of Exploring Civil War Wisconsin makes it easy for Civil War buffs, genealogists and students to find and effectively use the vast array of historical materials about the Civil War found in archives, military and census records, published firsthand accounts, newspapers and even on the Internet. This lively illustrated guide focuses on Wisconsin in the Civil War but is broadly applicable to Civil War research anywhere. Images of original documents and historic photographs illustrate every chapter, acquainting readers with both the Civil War and its sources. The easy-to-use and informative text is unlike anything else currently on the market. Throughout the book, boxed features and sidebars provide background information and tips on how to do research. Author Brett Barker explains how to uncover the history of an individual soldier, his regiment and his role in the Union Army using rosters, military records, pension files and memoirs. And he shows how to explore the home front during the war using the census, newspapers, city directories and government records.

Bibliography of State Participation in the Civil War 1861-1866 United States War Department. Library, 1913

The Second United States Sharpshooters in the Civil War Gerald L. Earley, 2009-04-22

The Second United States Sharpshooters was a hodgepodge regiment composed of companies raised in several New England states. The regiment was trained for a specific mission and armed with specially ordered breech-loading target rifles. This book covers the origin, recruitment, training and battle record of the regiment and features 32 photographs, four battlefield maps and a regimental roster.

Military Law Review, 1986

Sharpshooting Rifles of the American Civil War Martin Pegler, 2017-08-24

At the outset of the American Civil War, the Union Army's sharpshooters were initially equipped with the M1855 Colt revolving rifle, but it was prone to malfunction. Instead, the North's sharpshooters preferred the Sharps rifle, an innovative breech-loading weapon capable of firing up to ten shots per minute, more than three times the rate of fire offered by the standard-issue Springfield 58-caliber rifled musket. Other Union sharpshooters were equipped with the standard-issue Springfield rifled musket or the 56-caliber Spencer Repeating Rifle. Conversely, the Confederacy favoured the Pattern 1853 Enfield rifled musket for its sharpshooters and also imported from Britain the Whitworth Rifle, a 45-caliber single-shot muzzle-loading weapon distinguished by its use of a twisted hexagonal barrel. Featuring specially commissioned artwork, this is the engrossing story of the innovative rifles that saw combat in the hands of sharpshooters on both sides during the Civil War.

Dedication of the New York Auxiliary State Monument on the Battlefield of Gettysburg New York (State). Monuments Commission for the Battlefields of Gettysburg, Chattanooga and Antietam, 1926

Fighting Means Killing Jonathan M. Steplyk, 2020-10-05

War means fighting and fighting means killing. Confederate cavalry commander Nathan Bedford Forrest famously declared, "The Civil War was fundamentally a matter of Americans killing Americans." This undeniable reality is what Jonathan Steplyk explores in *Fighting Means Killing*, the first book-length study of Union and Confederate

soldiers attitudes toward and experiences of killing in the Civil War Drawing upon letters diaries and postwar reminiscences Steplyk examines what soldiers and veterans thought about killing before during and after the war How did these soldiers view sharpshooters How about hand to hand combat What language did they use to describe killing in combat What cultural and societal factors influenced their attitudes And what was the impact of race in battlefield atrocities and bitter clashes between white Confederates and black Federals These are the questions that Steplyk seeks to answer in *Fighting Means Killing* a work that bridges the gap between military and social history and that shifts the focus on the tragedy of the Civil War from fighting and dying for cause and country to fighting and killing **Snipers and Shooters** Joseph

Carlson,2011-10-10 The art of murder knows many forms but few more harrowing than murder for reasons of ritual or the supernatural Supposedly serving a higher cause they are often little more than acts of self gratifying blood lust *Voodoo Killers* chronicles the disturbing history of ritualistic killing around the world with shocking examples of human sacrifice from past and present voodoo hexes sexual slavery and satanic murder It is a history that incorporates vampires serial killers and rapists as well as institutionalized killers such as the Aztec high priests and Spanish Inquisitors whomurdered in the name of religion Murder does not come much worse than this premeditated organized ritualized and in the past accepted as permissible The *Voodoo Killers* stand alone in the annals of horror *Lee Besieged* John Horn,2025-05-31 A vivid account of Grant s daring but thwarted Second Offensive during the Petersburg siege where tactical brilliance met fierce Confederate resistance The nine month siege of Petersburg was the longest continuous operation of the Civil War Contrary to popular belief it was anything but static trench warfare as John Horn ably demonstrates in *Lee Besieged* Grant s Second Petersburg Offensive June 18 July 1 1864 Large scale Union offensives grand maneuvers that often triggered major battles broke the monotony of siege warfare Once his First Offensive the assaults of June 15 18 failed to capture the city the Union commander planned and launched his next major effort within hours This Second Offensive was one of the most dramatic operations of the entire war To pave the way for success Grant brought the city s bridges under the fire of his siege guns to slow the transfer of enemy trips in and out of Petersburg He also seized a bridgehead at Deep Bottom on James River s north bank to draw Confederate forces out of Petersburg by menacing Richmond Next he took more ambitious measures by sending infantry to hem in Petersburg from the Appomattox River below the city to the Appomattox above The move was designed to cut the critical Weldon and South Side railroads and force the Rebels to abandon Petersburg and Richmond As his infantry went to work his cavalry set out to sever the Confederate railroads below Petersburg to cut off supplies and reinforcements from the south and west Grant s opponent however was Gen Robert E Lee with his veteran infantry not the inept John Floyd of Fort Donelson or the distracted John C Pemberton of Vicksburg Lee and his infantry division commander William Mahone marched to meet the enemy and in a stunning turn of events routed Grant s foot soldiers at Jerusalem Plank Road Together Confederate cavalry under Wade Hampton and Mahone s infantry smashed Grant s troopers at the battles of Sappington Church

and First Reams Station Thousands of Federal prisoners flooded into Confederate camps Not until April 1865 after seven more offensives would Grant reach the Appomattox above Petersburg and force Lee to relinquish that city and the capital of Richmond This is tactical battle action at its finest Horn s explanation for the context and consequences of every decision is grounded in hundreds of primary sources and supported by 40 original maps Lee Besieged is the first full length book to put Grant s second effort into its proper perspective not only in the context of the Petersburg siege and the Civil War but in the context of warfare s history

Embark on a breathtaking journey through nature and adventure with is mesmerizing ebook, **Berdans United States Sharpshooters 1st Edition** . This immersive experience, available for download in a PDF format (*), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!
