Sustainable Fashion Best:

Sustainable Digitalization Strategies in Business and Healthcare Yıldırım, Durmuş Çağrı, Yıldırım, Seda, Kandpal, Vinay, 2025-06-11 In this digital world businesses and healthcare systems are seeking more sustainable strategies to harness the power of technology without compromising long term resilience and environmental responsibility Digitilization of healthcare systems offers a more immersive efficiency and deliver personalized services yet is also introduces challenges related to data governance cybersecurity and resource consumption Developing sustainable digitalization strategies requires a holistic approach balancing innovation with ethical considerations operational scalability and societal impact As organizations navigate this complex landscape aligning digital transformation with sustainability goals becomes essential for creating value that endures Sustainable Digitalization Strategies in Business and Healthcare explores and collects original studies that discuss digitalization and sustainability This book discusses how digitalization influences sustainable development on circular applications Covering topics such as artificial intelligence AI green finance and quick commerce this book is an excellent resource for academicians researchers administrators business leaders policymakers managers and more , *Green Psychology: Nature and Scope for Sustainability* Rejikumar G., Viswanathan Pozhamkandath Karthiayani, 2023-10-31 **Sustainable Fashion Management** Claudia E. Henninger, Kirsi Niinimäki, Marta Blazquez, Celina Jones, 2022-07-29 This book provides a holistic and accessible approach to sustainable fashion management It offers an interdisciplinary and practical outlook combining theory with practical application from a management perspective and underpinned by the Sustainable Development Goals throughout The book helps students to gain a better understanding of what sustainable fashion is and how it is implemented across the fashion industry through business model innovations innovative designs new technology and digital approaches and material innovations Global case studies are employed throughout each chapter including fashion companies and events of all sizes alongside other pedagogical features to aid learning including key learning points chapter objectives and textboxes explaining key terminology This is an essential textbook for those investigating sustainable fashion whether from a design or management perspective providing the knowledge and tools for a future career It is designed to serve Fashion Business and Management Fashion Marketing Fashion Buying and Merchandising and Fashion Technology courses at all levels and will also be valuable reading for those already working within the fashion industry and studying for professional qualifications Online resources include chapter by chapter PowerPoint slides and a test bank **GOING CIRCULAR - Sustainability Compendium - vth edition** , 2020-12-11 Fibre2Fashion s initiative Sustainability Compendium 5th Edition Titled Going Circular **Social and Sustainability Marketing** Jishnu Bhattacharyya, Manoj Kumar Dash, Chandana Hewege, M.S. Balaji, Weng Marc Lim, 2021-09-26 an important intervention in the conversation around social and ecological sustainability that draws on both micromarketing and macromarketing scholarship to help the reader understand the challenges with illustrations from

insightful cases both from emerging and developed economies This compilation should be essential reading for the discerning student of sustainable consumption and production Professor Pierre McDonagh Associate Editor Journal of Macromarketing USA Professor of Critical Marketing however the level of existing literature and availability of teaching cases reflect a dearth of real case studies especially those focused on marketing for social good This book of actual case studies will address that need In addition this book is important and timely in providing a case book for instructors those in both industry and academia to help them in teaching and training the next generation of leaders through corporate training and universities Currently marketing for social good is increasingly becoming a part of most curriculums under the umbrella of different titles such as social marketing green marketing and sustainability marketing The relevance of these studies is increasing across the globe This book is composed of long and short real cases with varying complexity in different sectors This case book will also cover some review articles for an overview of the recent developments in the study area With these case studies collections of questions teaching materials and real life marketing scenarios this book offers a unique source of knowledge to marketing professionals students and educators across the world The main objective of this case book is to understand the applicability of marketing science marketing for social good context such as social marketing and sustainability marketing in internet marketing related to e buying behavior and e WOM In addition it illustrates the various types of existing marketing practices that are relevant from both theoretical and practical points of view in this electronic era as well as discussing other non electronic marketing practices and focusing on consumer buying behavior As a result marketing managers can treat their customers according to their desired value This book particularly explores the possibilities and advantages created by social marketing and sustainability marketing through the presentation of thorough review articles and case studies This case book helps corporate training centers and universities with compact teaching reference materials in their relevant courses
