Bernadette Speaks:

Bernadette Speaks René Laurentin, 2000 Father Ren Laurentin one of the preeminent Marian theologians of our time has conducted extensive research for over twenty years on the apparitions at Lourdes that forever changed Bernadette Soubirous life The culmination of his work is contained within this masterpiece factual account that reads like a novel Translated from French to English for the first time this fascinating biography covers the entire life of the visionary and messenger of the Immaculate Conception accompanied by over 100 photographs

The Way of the Rose Clark Strand, Perdita Finn, 2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary This book could not have come at a more auspicious time and the message is mystical perfection not to mention a courageous one I adore this book Caroline Myss author of *Anatomy of the Spirit* Before a vision of a mysterious Lady invited Clark Strand and Perdita Finn to pray the rosary they were not only uninterested in becoming Catholic but finished with institutional religion altogether Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse But this Lady barely even referred to the Church and its proscriptions Instead she spoke of the miraculous power of the rosary to transform lives and heal the planet and revealed the secrets she had hidden within the rosary s prayers and mysteries secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet She told Strand and Finn The rosary is My body and My body is the body of the world Your body is one with that body What cause could there be for fear Weaving together their own remarkable story of how they came to the rosary their discoveries about the eco feminist wisdom at the heart of this ancient devotion and the life changing revelations of the Lady herself the authors reveal an ancestral path available to everyone religious or not that returns us to the powerful healing rhythms of the natural world

MAIDEN'S MANIFESTO: The Feminine Flame Eureka Circe, 2025-09-11 The Maiden s Manifesto The Feminine Flame is not a new women s hammer or even a witch hammer but rather a passing on and unfolding of agency and identity Eight dimensions form a mission statement with which women pass the flame to one another The book brings together over 30 literary portraits of women who take their place on the Holy Chair in Rome Female Popes of Theology who speak lead teach bless and reform in the indicative of their responsibility It shows the biographical experiences skills and role models that women bring to the Church in liturgy leadership teaching and passion for the world What topics do women bring to the Catholic Church It is about the biological theological interpretation of the virgin birth about Noli Me Tangere the don t touch me attitude in celibacy why the hybridity of a cyborg suits the Catholic Church well what the theological guiding principle of Pincipium Integrale means and how patriarchy can be drowned every day It is proven that there are more than three biological genders and what that means for today s theology And why Eve has a primal grace that allows us to rewrite the history of the Catholic Church We learn

why education for women is so important in the Catholic Church and that a decent life also includes political action against child hunger What does the doctrine say about right wing radicalism when we ask where charity remains Must theology be understood as political resistance at all This hybrid literary work shows how richly the Vatican draws on spiritually strong intellectually qualified women to make the Roman leadership and Curia culture more feminine younger and more diverse Fundamentum femineitatis The foundation of theology is femininity in faith This women s manifesto allows us to see what happens when we pass on the flame of fire and no longer let go *Where They Lie* Claire Coughlan,2024-02-01
