

Best Of Gettysburg

Princeton Review, Robert Franek

Best Of Gettysburg:

Little Round Top at Gettysburg Joseph Michael Boslet, 2025-10-24 Little Round Top Three words that resonate in American military history It was there at one of the most visited sites on the Gettysburg battlefield that Confederates under Maj Gen John B Hood attempted to turn the left flank of the Army of the Potomac Only the supreme efforts of Col Strong Vincent's brigade and a handful of others including Brig Gen Gouverneur K Warren and Cols Patrick O Rorke and Joshua Chamberlain saved the high ground and the Union army from potential disaster Little Round Top at Gettysburg A Reassessment of July 2 1863 is the first comprehensive in depth study of this complex and bloody clash in two decades Most visitors today are familiar with the fighting on Little Round Top through Michael Shaara's Pulitzer Prize winning 1974 novel The Killer Angels which gained renewed popularity after the 1993 film Gettysburg Both portrayals take liberties with the historical events and many accounts by soldiers who fought there as well as subsequent historians are rife with inconsistencies and in some cases rely on incomplete information Joseph Michael Boslet's years of studying primary sources including battle reports soldiers narratives and regimental histories confirm some events while challenging others Boslet a Vietnam combat veteran and dedicated Civil War scholar meticulously reexamines the practical aspects of regimental tactics and their use of 19th century combat methods He has walked every yard of Little Round Top's rocky hillside countless times His unique perspective shaped by his own combat experiences offers unparalleled insight Accompanied by original maps photographs and detailed notes Little Round Top at Gettysburg offers a practical history that readers can enjoy from an armchair or use on the battlefield to walk the ground fought over by soldiers and envision the battle as they experienced it

25 Best Civil War Sites Clint Johnson, 2005 This guide brings history to life with richly detailed engaging descriptions of the most important battle sites museums and reenactments [Gettysburg's Most Hellish Battleground](#) Phillip Thomas Tucker, 2019-03-19 During the crucial three days of combat at Gettysburg the most nightmarish place on the entire battlefield was appropriately named the Devil's Den This jumble of huge boulders situated at the southern end of Houck's Ridge was truly a hell on earth during the decisive afternoon of July 2 1863 The tenacious struggle that raged beyond control at the battle line's southern end was all important because the Devil's Den and Houck's Ridge anchored the left flank of the over extended Union battle line before Federal troops occupied Little Round Top to the east The battle hardened veterans of Lieutenant General James Longstreet's First Corps captured this vital sector the first Union left flank in one of the few Southern successes of the second day after some of the war's most bitter fighting Nevertheless the dramatic story of the successful turning of the first Union left flank has been long overlooked and ignored largely because of the giant historical shadow cast by the more famous struggle at Little Round Top which was only the second and last fight for the southern flank of both armies on July 2 Therefore the important contest for possession of the first Union left flank at the Devil's Den and Houck's Ridge was crucial on the bloody afternoon that decided the fate of America Includes 22 colour and sepia tinted
