The Best American Poetry 1989 B. E. S., 1991 **The Best American Poetry** Donald Hall, 1989 *The Best of the Best American Poetry* David Lehman, Harold Bloom, 1998-04-02

Every year since 1988 a major poet has selected seventy five poems for publication in *The Best American Poetry*. The series has quickly grown in both sales and prestige as poetry itself has seen a remarkable resurgence in popularity and vitality fueled by established poets at the peak of their powers and a new generation of daring voices. As we approach the millennium now is the opportune moment to take stock of American poetry and choose the work that will stand the test of time. Harold Bloom, a commanding presence on the American literary state, has read all 750 poems in the series and has picked the best of the best. He precedes his selections with a compelling and highly provocative essay on the state of American letters in which he fiercely champions the endangered realm of the aesthetic over the politically correct. Diverse in style, method, and metaphor, the seventy five poems Bloom has chosen go a long way toward defining a contemporary canon of American poetry. This exciting volume reflects not only the taste of the current editor but the predilections of the all star list of poets who have contributed their time and intellect to make this series what is today a valuable, invaluable, supervaluable. *Beloit Poetry Journal* record of an ever changing, always exciting art.

The Best American Poetry 2009 David Wagoner, David Lehman, 2009-09-22

Known for his marvelous narrative skill and humane wit, David Wagoner is one of the few poets of his generation to win the universal admiration of his peers. Working in conjunction with series editor David Lehman, Wagoner brings his refreshing eye to this year's anthology. With new work by established poets such as Billy Collins, Denise Duhamel, Mark Doty, and Bob Hicok, *The Best American Poetry 2009* also features some of tomorrow's leading luminaries. Readers of all ages and backgrounds will treasure this illuminating collection of modern American verse. With its high profile editorship and its generous embrace of American poetry in all its exuberant variety, the *Best American Poetry* series continues to be, as Robert Pinsky says, as good a comprehensive overview of contemporary poetry as there can be.
