John Powers

Buddhism A Concise Introduction:

Buddhism Huston Smith, Philip Novak, 2004-12-14 A concise and up to date guide to the history teachings and practice of Buddhism by two luminaries in the field of world religions A Concise Introduction to Tibetan Buddhism John Powers, 2008-04-28 Lucid and economical the Concise Introduction delivers a brisk fast moving survey For many years Powers nearly six hundred page Introduction to Tibetan Buddhism has served as the field s most authoritative and comprehensive introductory text on Tibet s distinctive Buddhist tradition Now Powers has responded to requests to provide an introductory text in compact form This slimmed down reference explains the core Buddhist doctrines and the practices of meditation and tantra in an engaging manner A survey of the four main sects of Tibetan Buddhism and a succinct history of the Tibetan cultural region complete this work The World's Religions Peter B. Clarke, Peter Beyer, 2009-05-07 This comprehensive volume focuses on the world s religions and the changes they have undergone as they become more global and diverse in form It explores the religions of the world not only in the regions with which they have been historically associated but also looks at the new cultural and religious contexts in which they are developing It considers the role of migration in the spread of religions by examining the issues raised for modern societies by the increasing interaction of different religions The volume also addresses such central questions as the dynamics of religious innovation which is evidenced in the rise and impact of new religious and new spirituality movements in every continent A Beginner's Guide to the Study of Religion Bradley L. Herling, 2016-03-10 How should we understand and interpret the strange but familiar thing that we call religion What are the foundations of a methodical approach to this subject and what theoretical tools are available to students who are new to this area of inquiry A Beginner s Guide to the Study of Religion provides an accessible wide ranging introduction to theories and basic methodology in the field Now in its second edition and updated throughout this concise but comprehensive book includes A case for the urgency and relevance of studying religion today Discussion of the role and perspective of the student of religion Description of the nature of theory and its function An accessible survey of classic theorists in the modern study of religion Feature boxes highlighting essential quotations and guiding principles for application of theories An expanded consideration of contemporary issues in the field including gender sexuality race ethnicity globalization violence science and new media Recommended further reading A Beginner s Guide to the Study of Religion offers a thorough but concise body of material suitable for introductory courses on the study of religion or to provide theoretical context for survey courses Study questions and worksheets can be found on the book s webpage **North American Buddhists in Social Context** Paul David Numrich, 2008-06-04 The first multi author collection of social scientific scholarship on North American Buddhists this volume examines the current state of research and key aspects of Buddhist life and experience in social context Case studies feature Southeast Asian Japanese Taiwanese Korean meditation oriented and socially engaged Buddhists *The Oxford Handbook of the Archaeology of Death and Burial* Sarah Tarlow, Liv Nilsson

Stutz,2013-06-06 This Handbook reviews the state of mortuary archaeology and its practice with forty four chapters focusing on the history of the discipline and its current scientific techniques and methods Written by leading scholars in the field it derives its examples and case studies from a wide range of time periods and geographical areas *Thomas Merton—Evil and Why We Suffer* David E. Orber,2018-06-18 Thomas Merton is one of the most important spiritual voices of the last century He has never been more relevant as new generations look to him for guidance in addressing some of life s biggest questions how can we find God how should we engage with other faiths and how can we oppose violence and injustice Looking carefully one can find tucked away in Merton s prodigious writings his response to another timeless question Why do we suffer Why does an all powerful and all loving God permit evil and suffering By carefully examining all of Merton s work we find that he repeatedly confronted this question throughout most of his adult life Intriguingly Merton s approach to this question changed dramatically a few years before he died in 1968 An examination of all aspects of his life yields evidence that Merton s immersion in Zen during this time contributed most to that change **The Encyclopedia of World Religions** Robert S. Ellwood,2008 Contains nearly 600 brief entries on the world s religious traditions The Path to Nirodha Irv Jacob,2012-11 If you are thoughtful reflective in tune with nature you are ready for more formal meditation and ready for this book Meditation is a tool available to everyone no matter how callous or spiritual well adjusted or complex one s life is Knowing why and how to meditate are arguably the most important signals of approaching an enlightened life These sixteen chapters follow the sequence of the Anapanasati Sutta according to the Four Foundations of Meditation The inspiration and teachings of the Satipatthana Sutta and the Dhammacakkappavattana Sutta Setting the Wheel of Dhamma in Motion the Buddha s first discourse are incorporated Beyond that autobiographical sketches inform the reader about how possible natural and easy meditation is These simple facts are not disputed by most people and the best thing that can be said about each teaching in this book is I know that I agree with that simple truth The sequence of the book leads from one simple truth to the next following a logical path to eliminating suffering Nirodha in a practical way The book can be read from front to back or opened at any point by experienced meditators for inspirational ideas The Huston Smith Reader Huston Smith,2012-03-26 For more than sixty years Huston Smith has not only written and taught about the world s religions he has lived them This Reader presents a rich selection of Smith s writings covering six decades of inquiry and exploration and ranging from scholarship to memoir Over his long academic career Smith s tireless enthusiasm for religious ideas has offered readers both in and outside the academy a fresh understanding of what religion is and what makes it meaningful The Huston Smith Reader offers a comprehensive guide to understanding religion and spirituality as well as a memorable record of Huston Smith s lifelong endeavor to enrich the inner lives of his fellow humans
