

Buddhist Pilgrimage

Léo Pomar

Buddhist Pilgrimage:

The Pilgrimage of Buddhism and a Buddhist Pilgrimage James Bissett Pratt, 1928 The Pilgrimage of Buddhism and a Buddhist Pilgrimage James Bissett Pratt, 1928 The Buddhist Pilgrimage Duncan Forbes, 1999 Following the story of the historical Buddha's life on earth to each of the eight places of traditional pilgrimage which are hallowed by the Buddha's Birth Enlightenment Death and other significant events Other sites which are important in the story of Gautama Buddha and have been rediscovered in recent years are also described and the author suggests where a search should be made for those that still remain hidden He also discusses the problems that arose when attempts were made little more than a hundred years ago to identify these places in the light of the descriptions by Chinese pilgrims that have come down to us He reveals the errors of that time which have been rectified in the light of more recent evidence This is a personal journey by a well known travel writer whose lifelong interest in Buddhism leads him to present his own picture of the origin and development of the faith and to propose answers to questions that are still unresolved The author has also provided an original plan for each of the sites visited as well as a full description of the place and the book is illustrated by the author's own photographs **The Revival of Buddhist Pilgrimage at Bodh Gaya (1811-1949)** Alan Trevithick, 2006-01-01 Alan Trevithick spent three years researching primary documents in New Delhi Sarnath Colombo and London in order to present this history 1874 1949 of the Mahabodhi Temple at Bodh Gaya This is the first such account and it details for the first time the administrative legal and legislative activities which shaped the temple's current status as one of the world's most popular pilgrimage sites Also included is an innovative biographical essay on Anagarika Dharmapala the Sinhalese activist who first came to India in the late 19th century as a guest of the Theosophical Society his subsequent actions substantially affected the development of Bodh Gaya as a site of international importance **The Pilgrimage of Buddhism and a Buddhist Pilgrimage** James Bissett Pratt, 1993 My Travels with Fa Hien, 5th Century Buddhist Pilgrim Hardie Karges, 2024-11-09 This is the story of Fa Hien 5th century Buddhist pilgrim who in the year 399CE set out walking from his home in Chang'an Xi'an China toward his final destination near Pataliputra Patna India via Purushapura Peshawar now in Pakistan He made this trip to retrieve and translate original texts to clarify the practice of Buddhism in China which was then almost a thousand years and five thousand miles from its source Those are the facts But this is a novel and Fa Hien was not alone There was also Jing Chang his trusted porter and a well traveled tribal boy with much knowledge and no shortage of ambition in his own right He knew a shortcut also So when master and student separate Jing Chang sets off on his own adventures he and his Greek partner with a growing opium problem What could go wrong But they'll all meet again Go Without Fear Maarten Olthof, 2016-12-19 This book illustrated with over 130 photographs is an inspiring literary account of a journey both spiritual and adventurous As a travelogue it guides the reader along a rediscovered pilgrim trail once the most important in Asia It predates by many centuries the well known European pilgrim route to Santiago de Compostela The path as taken by the

Buddha himself was followed by millions of pilgrims over succeeding centuries The path links the earliest Buddhist pilgrimage sites Lumbini where Siddhartha Gautama was born Bodhgaya where Siddhartha attained enlightenment and became a Buddha or awakened one Sarnath where the Buddha shared his insights Kushinagara where the Buddha passed away Buddhism largely disappeared from India after 1200 ce and the pilgrim trail gradually fell into obscurity Maarten Olthof has drawn on Chinese monastic manuscripts to reconstruct the 600 mile route through India and Nepal which he completed in 2003 on foot as a pilgrim That journey beginning as a one man project gradually developed into a spiritual adventure involving dozens of people and culminating in a demonstration for peace in Nepal a country at the time torn apart by civil war The pilgrimage helps the author face key moments in his life and offers him the healing power to achieve thorough acceptance of the past as it was and of the future as it will be By literally following in Buddha s footsteps he discovers that our life does not differ essentially from Siddhartha s He comes to realize that the four pilgrimage sites are symbolic of crucial stages in life that each one of us goes through As a biologist he notes striking parallels between Buddhism and contemporary ecological thinking

The Oxford Handbook of Buddhist Practice Paula Kane Robinson Arai, Kevin Trainor, 2022 Foregrounds the impact of embodiment in Buddhism Highlights the diversity and fluidity of Buddhist identities The most comprehensive available volume on Buddhist practice Book jacket

Pilgrimage Linda Kay Davidson, David M.
