Issues in Prayer Book Revision Robert W. Prichard, 2018-09-17 Essays from academics across a spectrum of perspectives The Standing Commission on Liturgy and Music sought input from multiple sources in order to better understand the charge of the General Convention of 2015 suggesting that it present a plan for the revision of the Book of Common Prayer to the 2018 Convention While the individual chapters of this volume raise a variety of differing issues they

share a common assumption that one of the sources of information for the Standing Commission and the Church in its deliberations ought to be the community of academically trained liturgical scholars The hope of this volume is to open a conversation across the church that will continue in the future *Richardson-Zwingli* Luther Samuel Livingston, 1905
