Book Of Revelation Justice And Judgment:

The Book of Revelation Elisabeth Schüssler Fiorenza, 1998 Rev ed of *The book of Revelation justice and judgment* c1985

The Book of Revelation Elisabeth Schüssler Fiorenza, 2014 Rather than finding an individual Christian vision of a fiery endtime Schussler Fiorenza writes of Christian communities living in the shadow of imperial power fearing denunciation by their neighbors yet envisioning the eventual effect of Jesus Christ's resurrection and enthronement on the whole social order In Sch ssler Fiorenza's theological historical analyses the Book of Revelation is a literary product of early Christian prophecy and her interpretation leads to distinctive notions of the book's composition social intent relation to the Gospel of John and visionary rhetoric of apocalypse and justice

Alterity and the Evasion of Justice Deanna Ferree Womack, Raimundo Barreto, 2023 This volume considers overlooked others in the field of World Christianity Contributors point to gender sexuality and race as themes ripe for exploration while also identifying areas that have fallen outside the dominant World Christianity narrative such as the Middle East and postcolonial indigenous and aboriginal theological expressions

Like a Bride Adorned Lynn R. Huber, 2007-06-10 The phrase like a bride adorned is one of the ways Revelation describes the new Jerusalem which descends from heaven This phrase can also be read as describing one of the ways interpreters historically have understood the relationship between Revelation and its metaphorical language In contrast to views that suggest Revelation's metaphorical language is simple adornment Huber argues that Revelation's persuasive power resides within the text's metaphorical nature and she articulates a method for exploring how Revelation employs metaphor to shape an audience's thought In order to gain a sense of how metaphorical language works in Revelation's highly metaphorical text *Like a Bride Adorned* Reading Metaphor in John's Apocalypse engages one set of conceptual metaphors in relation to Revelation's literary and social historical milieu Specifically Huber explores the conceptual metaphors undergirding Revelation's nuptial or bridal imagery Positioned at the culmination of the text's nuptial imagery serves as one the text's final and arguably one of its most important characterizations of the Christian community Examining the function of Revelation's nuptial imagery involves investigating how the text redeploys conventional metaphorical constructions used in the writings of the Hebrew prophets and how its imagery engages Greco Roman depictions of women weddings and brides Discourse about marriage and family was such an important part of Revelation's historical context especially as it was shaped by the Roman Empire that any discussion of the text's nuptial imagery must examine how it reflects and responds to this discourse By addressing these questions we see that Revelation's nuptial imagery serves to

further the text's goal of shaping Christian identity in opposition to the social demands of the Roman Empire. Moreover, exploration of the conceptual metaphors undergirding Revelation's bride adorned reveals how John seeks to shape Christian identity as a transitional identity. Through metaphor, Revelation encourages its audience to envision the Christian community as a bride who constructs her own identity as she transitions into a new role in relation to God and the Lamb. Through the process of exploring Revelation's nuptial imagery with insights gained from conceptual metaphor theory, we uncover the ways that John employs metaphorical language to persuade his audience's thought about themselves and about others. Consequently, this work contributes both to our understanding of the text's nuptial imagery and to our knowledge of how Revelation employs metaphor as a tool for persuasion.

Israel's Scriptures in Early Christian Writings Matthias Henze, David Lincicum, 2023-07-20

How did New Testament authors use Israel's Scriptures? Use, misuse, appropriation, citation, allusion, inspiration: how do we characterize the manifold images, paraphrases, and quotations of the Jewish Scriptures that pervade the New Testament? Over the past few decades, scholars have tackled the question with a variety of methodologies. New Testament authors were part of a broader landscape of Jewish readers interpreting Scripture. Recent studies have sought to understand the various compositional techniques of the early Christians who composed the New Testament in this context and on the authors' own terms. In this landmark collection of essays, Matthias Henze and David Lincicum marshal an international group of renowned scholars to analyze the New Testament text by text, aiming to better understand what roles Israel's Scriptures play therein. In addition to explicating each book, the essayists also cut across texts to chart the most important central concepts such as the messiah, covenants, and the end times. Carefully constructed reception history of both testaments rounds out the volume. Comprehensive and foundational, *Israel's Scriptures in Early Christian Writings* will serve as an essential resource for biblical scholars for years to come.
