Beltran In Exile:

Beltran in Exile William Watson, 1979-01-01 **The New Beacon** ,1981 **British Book News** ,1979-07 Books and Bookmen ,1979 **Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1881 **Tampa** Wenceslao Gálvez y Delmonte, 2020-10-13 In 1896 Wenceslao Gálvez y Delmonte fled the violence of Cuba's war for independence and settled in Tampa. He soon made his new home the focus of a work of costumbrismo, the Spanish language genre built on closely observing the everyday manners and customs of a place. Translated here into English, Gálvez's narrative mixes evocative descriptions with charming commentary to bring to life the early Cuban exile communities in Ybor City and West Tampa. The writer's sharp eye finds the local characters: the barber shops and electric streetcars, the city landmarks and new Cuban enclaves. One day Gálvez offers his thoughts on the pro-independence activities of community leaders like Martín Herrera and Fernando Figuerdo. On another, our exiled bourgeois intellectual author wryly recounts his new life as a door-to-door salesman and lector reading aloud to workers in a cigar factory. This scholarly edition includes photographs and newspaper clippings, a foreword on Gálvez's extraordinary pre-exile years, extensive notes to the translation, and a wealth of other supplementary material putting the author's life and work in context. A volume in the series *New World Diasporas* edited by Kevin A. Yelvington. **Latino Image Makers in Hollywood** Frank Javier Garcia Berumen, 2016-04-14 Latinos have been part of the Hollywood film industry for more than 100 years, yet beyond the remarkable success of a few, their visibility and clout have generally not reflected their significance in American society. Worse, the Latino image has suffered from widespread stereotyping in film, and performers face unjustified constraints in the kinds of roles available to them. Decade by decade, from 1960 onward, this book analyzes important films made by or about Latinos, details the careers of Latino performers and filmmakers of the time, and analyzes how film portrayals of Latino characters and subjects connect with political and social trends of each decade. It discusses the role of gender, social class, and ethnicity in film portrayals and provides an overview of the diverse and dynamic Latino community in the United States while celebrating a substantial and enduring contribution to Hollywood film history. **The Bookseller** ,1979 **Fiction Index Three** Gerald Brooks Cotton, 1975 **Isabella of Spain: The Last Crusader** William Thomas Walsh, 2016-07-26 Called by her people Isabella la Católica, she was by any standard one of the greatest women of all history. A saint in her own right, she married Ferdinand of Aragon, and they forged modern Spain, cast out the Moslems, discovered the New World by backing Columbus, and established a powerful central government in Spain. This story is so thrilling it reads like a novel. Makes history really come alive. Highly readable and truly great in every respect.
