Beneath My Heart Poetry:

Within and Beneath My Heart Kathy Franklin, 2023-06-21 **Beneath My Heart** Janice Gould, 1990 Substantial layered poetry deeply rooted in the author's Native American landscape Personally and historically panoramic *The Queerness of Native American Literature* Lisa Tatonetti, 2014-11-30 With a new and more inclusive perspective for the growing field of queer Native studies Lisa Tatonetti provides a genealogy of queer Native writing after Stonewall Looking across a broad range of literature Tatonetti offers the first overview and guide to queer Native literature from its rise in the 1970s to the present day In *The Queerness of Native American Literature* Tatonetti recovers ties between two simultaneous renaissances of the late twentieth century queer literature and Native American literature She foregrounds how Indigeneity intervenes within and against dominant interpretations of queer genders and sexualities recovering unfamiliar texts from the 1970s while presenting fresh cogent readings of well known works In juxtaposing the work of Native authors including the longtime writer activist Paula Gunn Allen the first contemporary queer Native writer Maurice Kenny the poet Janice Gould the novelist Louise Erdrich and the filmmakers Sherman Alexie Thomas Bezucha and Jorge Manuel Manzano with the work of queer studies scholars Tatonetti proposes resourceful interventions in foundational concepts in queer studies while also charting new directions for queer Native studies Throughout she argues that queerness has been central to Native American literature for decades showing how queer Native literature and Two Spirit critiques challenge understandings of both Indigeneity and sexuality **Selected Poetry and Prose of Edmond Holmes** John Howlett, 2016-05-23 This book represents the first scholarly gathering together of the long neglected poetry of the School Inspector educationalist and philosopher Edmond Holmes 1850-1936 Alongside a generous selection from Holmes's six volumes of poetry there is also a full reproduction of Holmes's essay *What is Poetry* which served to delineate his thinking on the discipline Supporting these original works is both a lengthy scholarly introduction and extensive endnotes which serve to locate Holmes's poetry not merely within the context of its time and amongst his own contemporaries but also to make a case for the importance of this body of work in its own right particularly in its promulgation of original and innovative ideas Holmes's poetry represents a particularly unique combination of traditional verse form coupled with innovative and esoteric subject matter often drawing upon Eastern Buddhist philosophy as well as Western Romanticism and Pantheism and so deserves to be more widely recognized as being wholly distinctive within the canon of Victorian and Modern poetry **A book of English poetry; ed. by T. Shorter** Thomas Shorter, 1861 **Sovereign Erotics** Qwo-Li Driskill, Daniel Heath Justice, Deborah Miranda, Lisa Tatonetti, 2021-03-02 Two Spirit people identified by many different tribally specific names and standings within their communities have been living loving and creating art since time immemorial It wasn't until the 1970s however that contemporary queer Native literature gained any public notice Even now only a handful of books address it specifically most notably the 1988 collection *Living the Spirit: A Gay American Indian Anthology* Since that book's publication twenty three

years ago there has not been another collection published that focuses explicitly on the writing and art of Indigenous Two Spirit and Queer people. This landmark collection strives to reflect the complexity of identities within Native Gay Lesbian Bisexual Transgender Queer and Two Spirit GLBTQ2 communities. Gathering together the work of established writers and talented new voices, this anthology spans genres: fiction, nonfiction, poetry, and essay, and themes: memory, history, sexuality, indigeneity, friendship, family, love, and loss, and represents a watershed moment in Native American and Indigenous literatures, Queer studies, and the intersections between the two. Collaboratively, the pieces in *Sovereign Erotics* demonstrate not only the radical diversity among the voices of today's Indigenous GLBTQ2 writers but also the beauty, strength, and resilience of Indigenous GLBTQ2 people in the twenty-first century.
