Being A Palauan:

Being a Palauan Homer Garner Barnett,1979-01-01 Palauan men praise women and state with pride Women are strong men are weak But men do the planning and make the decisions This is no more strange to a Palauan than the fact many children whose biological parents are still alive are adopted many times and that material advantage should accrue from these transactions to several kinsmen of the child **Being a Palauan** Homer G. Barnett,1973 **Being a Palauan** H. G. Barnett,1963 Being a Palauan, by H.G. Barnett Homer Garner Barnett,1959 **Being a Palauan** John Beattie,1960 **Being an Anthropologist** George Spindler,1986 , The Cambridge Handbook of Areal Linguistics Raymond Hickey,2017-04-20 Providing a contemporary and comprehensive look at the topical area of areal linguistics this book looks systematically at different regions of the world whilst presenting a focussed and informed overview of the theory behind research into areal linguistics and language contact The topicality of areal linguistics is thoroughly documented by a wealth of case studies from all major regions of the world and with chapters from scholars with a broad spectrum of language expertise it offers insights into the mechanisms of external language change With no book currently like this on the market The Cambridge Handbook of Areal Linguistics will be welcomed by students and scholars working on the history of language families documentation and classification and will help readers to understand the key area of areal linguistics within a broader linguistic context *Palau Education System and Policy Handbook* IBP USA,2013-08 2011 Updated Reprint Updated Annually *Palau Education System and Policy Handbook* Agreement in Natural Language Center for the Study of Language and Information (U.S.),1988-07 Although grammatical agreement or concord is widespread in human languages linguistic theorists have generally treated agreement phenomena as secondary or even marginal All the papers in this volume however take agreement phenomena seriously as presenting either a general issue in theory construction or a descriptive problem in particular types of languages The theoretical perspectives range from purportedly theory neutral typological frameworks to assumptions about the validity of one or another current formal model Further the degree of generality ranges from a universalist nature of human language agenda to concern with one or another aspect of grammatical agreement or with agreement in a single language or language group
