Being Careless:

Interpreting Proverbs 11:18-31, Psalm 73, and Ecclesiastes 9:1-12 in Light of, and as a Response to, Thai Buddhist Interpretations Kari Storstein Haug, 2012-03-19 This book discusses how three Old Testament wisdom texts can be interpreted in light of and as a response to Thai Buddhist interpretations Its central aim is to explore a new method in Buddhist Christian dialogue that has three steps First Buddhists are asked to reflect on biblical texts second the texts are analyzed by placing Christian and Buddhist perspectives side by side and finally points of convergence and difference are established in order to provide a platform for further dialogue The study succeeds in demonstrating that the method explored is a fruitful approach to interreligious dialogue which takes interpretations of biblical texts by the religious other seriously and manages to both affirm commonalities and face religious difference **Careless Kate** Oliver Optic, 2018-05-23
Reproduction of the original Careless Kate by Oliver Optic **Careless and Loving It (Hit-And-Run Discipleship)** Rodney A. Kvamme, 2002 Wait for the ideal is the hiss of the serpent not the voice of God Many a clear and present chance to bring love and joy to others has been missed by waiting for a more ideal opportunity The author maintains that what is needed is more carelessness The Table of Contents displays many playing fields where hit and run discipleship is an admirable option A baseball player will not be an effective member of the team without leaving the security of the plate There are similar risks for a disciple of Jesus The author uses lessons from his own life and asks readers to translate them into their own experience Hopefully they too will be encouraged to become more careless and love it *The Complete Stein Poems, 1998-2003* Jackson Mac Low, 2025-08-19 A landmark publication in computer generated poetry drawn from the works of Gertrude Stein The Stein poems of Jackson Mac Low 1922 2004 were written between 1998 and 2003 Comprising more than 500 pages of text this edited series of 161 poems most of them never published is the poet s last great work composed during the final years of a lifetime of prolific creation The raw material of each poem was produced through Mac Low s diastic text selection method of reading through passages of either Ulla E Dydo s A Stein Reader or a corrected version of Gertrude Stein s Tender Buttons Guided by Charles O Hartman s 1994 DIATEST5 computer program which replicates the diastic method first developed by Mac Low in 1963 the process requires that words be drawn sequentially from the source text in accordance with their rule driven algorithmic correspondence with a seed text Taken as a whole these poems are a breathtaking invitation to the reader into a space of creative possibilities and unforeseen encounters *Help Me Be Good Book about Being Careless* Joy Berry, 2022-01-15 [A Fulfulde-English Dictionary](#) Mukoshy, I.A., 2014-05-05 This edition of Fulfulde English Dictionary is forward thinking in its intended mission in somewhat noting of dialectal differences as this may be helpful to a wider area and more useful to users Considerable revisions to the entries have been made to this edition similarly a lot of alterations to the cross references Efforts also have been made in order to incorporate at large some vocabularies not included in the first edition for the benefit of students of the language and researchers therein People and
