The Peace of Christ Loyd L. Fueston, 2007-08-10 This universe is a battleground where forces of order and disorder struggle We can eat or be eaten but even if we survive the struggle between predator and prey we have to face floods and hurricanes asteroids and volcanoes True peace is possible even on this battleground because of Christ's victory on the cross This true peace can be understood when given its proper name the peace of Christ We can understand better when we pray to God when we read the Bible and when we worship him We should pray asking for God's help and praying the psalms We should sit quietly letting ourselves become more aware of God's presence and learning to pray along with God to listen along with God and to think along with God We should read the Bible the word of God as recorded by his prophets and evangelists We should worship God at least once a week preferably participating in the eucharistic rite eating the body of Christ and drinking his blood as He commanded for the sake of our salvation John 6:53 In various ways we should allow God to fill us up with his Son so that we might become Christlike persons Only in that Christlike state can we obtain true peace
