Black Folklorists in Pursuit of Equality Ronald LaMarr Sharps,2023-06-16 After the Civil War Emancipation purportedly brought physical freedom to African Americans As the nineteenth century drew to a close blacks continued to experience inequality in all phases of American life social cultural political and economic In pursuit of equality African American movements interpreted folklore to reveal in their rhetoric the soul of a race and a path toward civilization This book provides a comprehensive chronicle of these competing initiatives and their reception starting with the folklore society organized by Hampton Institute in 1893 and continuing through the early 1940s with the American Negro Academy Fisk University graduates William Hannibal Thomas the National Association for the Advancement of Colored People the Urban League the Friends of Negro Freedom the Universal Negro Improvement Association and blacks associated with the Communist Party USA Disavowing a culture of fear money guns and death black folklorists in these movements exposed a racial inner life ranging from loving loyal and happy to imitative tragic spiritual emotional and creative Each characterization of the race justified a distinct path and possible contributions to civilization If unable to know their past members of the movements and other folklorists were fearful that African Americans would be an anomaly among humanity

[Selling Folk Music](#) Ronald D. Cohen,David Bonner,2017-11-29

Selling Folk Music An Illustrated History highlights commercial sources that reveal how folk music has been packaged and sold to a broad shifting audience in the United States Folk music has a varied and complex scope and lineage including the blues minstrel tunes Victorian parlor songs spirituals and gospel tunes country and western songs sea shanties labor and political songs calypsos pop folk folk rock ethnic bluegrass and more The genre is of major importance in the broader spectrum of American music and it is easy to understand why folk music has been marketed as America s music *Selling Folk*

Music presents the public face of folk music in the United States via its commercial promotion and presentation throughout the twentieth century Included are concert flyers sheet music book songbook magazine and album covers concert posters and flyers and movie lobby cards and posters all in their original colors The 1964 hootenanny craze for example spawned such items as a candy bar pinball machine bath powder paper dolls Halloween costumes and beach towels The almost five hundred images in *Selling Folk Music* present a new way to catalog the history of folk music while highlighting the transformative nature of the genre Following the detailed introduction on the history of folk music illustrations from commercial products make up the bulk of the work presenting a colorful complex history

A Golden Haze of Memory

Stephanie E. Yuhl, 2006-03-08 Charleston South Carolina today enjoys a reputation as a destination city for cultural and heritage tourism In *A Golden Haze of Memory* Stephanie E Yuhl looks back to the crucial period between 1920 and 1940 when local leaders developed Charleston s trademark image as America s Most Historic City Eager to assert the national value of their regional cultural traditions and to situate Charleston as a bulwark against the chaos of modern America these descendants of old line families downplayed Confederate associations and emphasized the city s colonial and early national prominence They created a vibrant network of individual artists literary figures and organizations such as the all white Society for the Preservation of Negro Spirituals that nurtured architectural preservation art literature and tourism while appropriating African American folk culture In the process they translated their selective and idiosyncratic personal familial and class memories into a collective identity for the city The Charleston this group built Yuhl argues presented a sanitized yet highly marketable version of the American past Their efforts invited attention and praise from outsiders while protecting social hierarchies and preserving the political and economic power of whites Through the example of this colorful southern city Yuhl posits a larger critique about the use of heritage and demonstrates how something as intangible as the recalled past can be transformed into real political economic and social power

Lost Delta Found John W. Work, Lewis Wade

Jones, Samuel C. Adams, 2021-04-30 Blues Hall of Fame Inductee Named a Classic of Blues Literature by the Blues Foundation 2019 This remarkable book recovers three invaluable perspectives long thought to have been lost on the culture and music of the Mississippi Delta In 1941 and 42 African American scholars from Fisk University among them the noted composer and musicologist John W Work III sociologist Lewis Wade Jones and graduate student Samuel C Adams Jr joined folklorist Alan Lomax of the Library of Congress on research trips to Coahoma County Mississippi Their mission was to document adequately the cultural and social backgrounds for music in the community Among the fruits of the project were the earliest recordings by the legendary blues singer and guitarist Muddy Waters The hallmark of the study was to have been a joint publication of its findings by Fisk and the Library of Congress While this publication was never completed *Lost Delta Found* is composed of the writings interviews notes and musical transcriptions produced by Work Jones and Adams in the Coahoma County study Their work captures with compelling immediacy a place a people a way of life and a set of rich

musical traditions as they existed in the 1940s Illustrated with photos and more than 160 musical transcriptions
