

The background of the entire cover is a vibrant space scene. In the upper right, a large, blue and white planet is partially visible. A bright, glowing sun or star is positioned in the center-right, casting a warm light across the scene. The foreground is filled with numerous dark, rocky asteroids of various sizes. In the lower center, a large, blue, dome-shaped structure, possibly a space station or a futuristic city, is visible. To the left of this dome, a smaller, more complex structure with a long, thin beam of light extending from it is shown. The overall color palette is dominated by blues, purples, and oranges, creating a sense of depth and wonder.
