Ancient Rome A To Begin On

James R. Harrison, L. L. Welborn

Ancient Rome A To Begin On:

Televising Ancient Rome in the Twenty-First Century Lisa Maurice, 2025-10-31 Ever since HBO BBC's Rome burst onto screens in 2005 Rome has appeared on television screens in a variety of dramatic productions These utilise many of the elements of ancient Rome that were familiar to audiences from big screen epic movies but adapt them for a television genre in a manner that is characteristic of the the second millennium playing on older tropes and merging them with new formats Where do such tropes come from and how have they been developed over time specifically on the small screen a medium that overlaps with but is substantially different from the cinema How have the changes in technology and the manner in which television is consumed by audiences influenced the productions Answering these questions and more this book examines the presentation of ancient Rome in primarily British and American television productions of the twenty first century exploring not only how they depict the ancient world but how the various programmes reflect aspects and concerns of contemporary society in which they are produced Through a series of nine different case studies it considers three main issues the miniseries format as television epic sexuality and gender in contemporary ancient Rome productions and specific national contexts

[Ancient Rome](#) Matthew Dillon, Lynda Garland, 2015-06-26 In this second edition Ancient Rome presents an extensive range of material from the early Republic to the death of Augustus with two new chapters on the Second Triumvirate and The Age of Augustus Dillon and Garland have also included more extensive late Republican and Augustan sources on social developments as well as further information on the Gold Age of Roman literature Providing comprehensive coverage of all important documents pertaining to the Roman Republic and the Augustan age Ancient Rome includes source material on political and military developments in the Roman Republic and Augustan age 509 BC AD 14 detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic and early empire Students of ancient Rome and classical studies will find this new edition invaluable at all levels of study

Ancient Roman Sports, A-Z David Matz, 2019-10-31 Chariot races Gladiatorial combat Fishing Hunting Swimming The ancient Romans enjoyed these sports sometimes with fanatical enthusiasm This reference book contains more than 100 entries covering sporting events and activities of the era and the Romans who sponsored competed in and attended them Charioteer Appuleius Diocles in a career spanning 24 years competed in 4 257 races winning an astounding 1 462 of them Alypius the young friend of St Augustine was both drawn to and repulsed by gladiatorial battles and struggled to shake his mania for the spectacle of blood sport Brief abstracts of the entries are included for quick reference along with an expansive glossary and biographical notes on the ancient authors cited

Ancient Rome's Worst Emperors L. J. Trafford, 2025-08-05 Who qualifies as the worst of Roman

emperors and why Join L J Trafford for a tour of the very worst leadership in ancient Rome featuring Caligula Commodus and many more Between 27 BCE and 476 CE a series of men became Roman Emperor ruling a domain that stretched across Europe North Africa and the Near East Some of them did this rather well expanding Rome s territories further installing just laws and maintaining order within the city Others however were distinctly less successful at the job Ancient Rome s Worst Emperors takes an engaging and amusing look at the mad the bad and the catastrophically incompetent of Rome s rulers From the sadistically cruel Caligula to the hopelessly weak Valentinian II there were many who failed dismally at the top job for a variety of reasons But what qualifies someone as a worst emperor What evidence is there to support it And should we believe any of it Join us on a tour of the very worst leadership ancient Rome has to offer as we delve into sadistic acts of cruelty paranoia run rampant poor decision making skills and the danger of being the wrong man at the wrong time The First Urban Churches 1 James R. Harrison,L. L. Welborn,2015-09-29 A fresh look at early urban churches This collection of essays examines the urban context of early Christian churches in the first century Roman world A city by city investigation of the early churches in the New Testament clarifies the challenges threats and opportunities that urban living provided for early Christians Readers will come away with a better understanding of how scholars assemble an accurate picture of the cities in which the first Christians flourished Features Analysis of urban evidence of the inscriptions papyri archaeological remains coins and iconography Discussion of how to use different types of evidence responsibly Outline of what constitutes proper methodological use for establishing a nuanced informed portrait of ancient urban life **World Literature**

(Student) James Stobaugh,2012-12-13 Students will immersed into some of the greatest World literature ever written in this well crafted 34 week presentation of whole book or whole work selections from classic prose poetry and drama *First Proofs of the Universal Catalogue of Books on Art,.* National Art Library (Great Britain),1870 **A History of**

Archaeological Tourism Margarita Díaz-Andreu,2020-02-24 This book examines the relationship between archaeological tourism and professional archaeology To do so it explores the connection most visibly through nationalism and global capitalism from its origins in the early modern period to World War II How separate is the development of archaeological tourism from that of the formation of archaeology as a discipline And do the fields operate in two different worlds Scholarly discussions have largely treated them as distinct fields with no connection while histories of archaeology in particular have focused on aspects such as the history of archaeological discoveries archaeological thought and more recently the political relationship between archaeology and nationalism and other ideologies Largely missing from all these accounts has been an examination of how archaeology has been incorporated into society for example through something that all humans enjoy leisure in the form of archaeological tourism Moreover just as histories of archaeology have largely ignored the connection between archaeology and tourism so too has tourism in the reverse direction Recent studies on tourism have centered on topics such as economy sustainable and recession tourism and new types of tourism including ecotourism and medical

tourism **The First Proofs of the Universal Catalogue of Books on Art** ohne Autor,2020-04-12 Reprint of the original first published in 1870 **Machiavelli on War** Christopher Lynch,2023-12-15 Machiavelli on War offers a comprehensive interpretation of the philosopher historian s treatment of war throughout his writings from poems and memoranda drafted while he was Florence s top official for military matters to his posthumous works The Prince and Discourses on Livy Christopher Lynch argues that the issue of war permeates the form and content of each of Machiavelli s works the substance of his thoughts and his own activity as a writer concluding that he was the first great modern philosopher because he was the first modern philosopher of war Lynch details Machiavelli s understanding of warfare in terms of both actual armed conflict and at the intellectual level of thinkers competing on the field of knowledge and belief Throughout Machiavelli s works he focuses on how military commanders knowledge of human necessities beginning with their own enables and requires them to mold soldiers organizationally and politically to best deploy them in operations attuned to political context and changing circumstances Intellectually leaders must shape minds their own and others to reject beliefs that would weaken their purpose for Machiavelli this meant overcoming the classical and Christian traditions in favor of a new teaching of human freedom and excellence As Machiavelli on War makes clear prevailing both on the battlefield and in the war of ideas demands a single minded engagement in reasoning about everything beginning with oneself For Machiavelli Lynch shows the successful military commander is not just an excellent leader but also an excellent human being in constant pursuit of the truth about themselves and the world
