All About Mysti:

The Runaway Christene Helm,2021-02-25 In this first installment of the Orphan Saga trilogy a spunky young monkey named Mysti escapes from a devious gang of rats and finds a new home among the rabbits of the idyllic Reanlands Not knowing where she came from or where she belongs she struggles for a time to adapt to a new way of life and integrate into the rabbits society a challenge that is intensified by the Reanlanders distrust of strangers and of monkeys in particular With the support of new friends Mysti perseveres to overcome these obstacles and is finally embraced by the rabbits when her ingenuity saves them from a near certain death When Mysti speaks to the wise keeper of all rabbit lore she discovers that the moonstone she has always worn around her neck is in fact a long lost treasure very precious to the Reanlanders She begins to realize that perhaps it was no accident that she wound up there it may have been destiny calling her But how long can Mysti evade recapture by the rats who are certainly trying to track her down And will her grit and determination be enough to save the Reanlanders again when war and upheaval threaten to disrupt their peaceful lives **Shadeborn** Jason

Barbara Ann O'Keefe,2013-02-15 An Angels Way although fiction contains real Scriptures ready to fill your heart as you find your way to healing in this tragic world in which we live In the story we follow the life path of two people We begin with an angel born human and then as she gets older she meets a man a medical doctor and they fall in love Tragedy strikes and he loses her The world was near the end with thousands of people injured in terrorist attacks new diseases new resistances to drugs and then the children began to die Although he was full of grief he pressed forward searching in desperation for cures He was about to lose all hope when she re entered his life Unknown to the man God had sent his angel to Earth to teach healing in biblical ways as the revelations of end times were at hand Earthquakes and storms were everywhere but he continued his work until he was finally able to heal the children The world going crazy thousands dying and one man had the answer to true divine healing How far would he be willing to go in order to heal the sick Why do we suffer as Christians How much is it worth to be able to serve God With the ultimate price comes the greatest blessing Breathe in the healing No matter the danger all around We still have instilled in us the God given desire to heal the sick *The Unitarian* Jabez
