All I Desire:

Spiritual Thoughts for the Moment Dr.Jim Crissinger,2014-10-07 The power of Gods word is often times hard to explain because of the influence and wisdom in those words and the emotions or feeling these words can often provoke within all of us You need to know and understand that we can trust and believe what God has provided and granted to us and that by acting upon Gods word and not merely reacting to a situation we will be able to manage our emotions instead of allowing them to manage us I offer you this piece of personal advice You only have a lifetime to figure out how you are going to spend eternity Choose wisely **Heart Advice for Retreat eBook** Lama Zopa Rinpoche,2019-07-09 The great Pabongkha Dechen Nyingpo said Knowing Dharma is not enough you must practice This collection Heart Advice for Retreat is a must have for all practitioners especially those engaging in longer retreats Lama Zopa Rinpoche offers advice on the essential aspects of retreat and how to bring about the result of enlightenment Additionally Rinpoche provides compelling commentary to Pabongkha s text Like a Female Cannibal Cheating and on the rituals and necessary motivations required for entering into retreat Advice commentary and resources include The Importance of Retreat The Meaning of Retreat Special Instructions The Happiness of Dharma Break time Meditations Dedication Prayers Helpful Resources and much more 176 pages 2011 edition **With All Might** Riaan Engelbrecht,2023-01-18 Of the greatest commandment we read in Mark 12 NIV 29 The most important one answered Jesus is this Hear O Israel The Lord our God the Lord is one 30 Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength We need to again place a spotlight on the word strength So what does it then mean to serve God with all our strength We can also ask do we really serve and love God with all our strength For if we do then we must make every effort day and night to obey God to follow Him to love Him and to serve Him We must do so with every ounce of our strength with every ounce of conviction and there must be no room none whatsoever for the world to steal our love for God or our devotion loyalty and faithfulness To love God with all our strength might is to constantly all the time seek His will His ways and truth It calls for us to pay attention to God to be serious about Him above everything else and to love Him as our First Love **Nietzsche, Religion, and Mood** Sampsa Andrei Saanen,2019-05-20 How does Nietzsche as psychologist envision the future of religion and atheism While there has been no lack of psychological studies that have sought to illuminate Nietzsche s philosophy of religion by interpreting his biography this monograph is the first comprehensive study to approach the topic through the philosopher s own psychological thinking The author shows how Nietzsche s critical writings on religion and especially on religious decline and future possibilities are informed by his psychological thinking about moods The author furthermore argues that the clarification of this aspect of the philosopher s work is essential to interpreting some of the most ambiguous words found in his writings the words that God is dead Instead of merely denying the existence of God in a way that leaves a melancholic need for religion or a futile search for replacements intact Nietzsche arguably envisions the possibility of a radical atheism which is characterized by a mood of

joyful doubt The examination of this vision should be of great interest to scholars of Nietzsche and of the history of philosophy but also of relevance to all those who take an interest in the interdisciplinary discourse on secularization
