All About My Christmas:

All about My Christmas Joan Walsh Anglund,1989-10 A book with spaces for a child to fill in information about his family s Christmas traditions **My Christmas Story** Murray Asaw Miller,2022-11-14 My Christmas Story is the author s perspective of the real life views and experiences of some of the participants in the first Christmas including beautiful poignant illustrations Written for his grandchildren it is a great read for all ages as we imagine that time that is so well known but can seem not of our world today This book illustrates the humanness of Christmas and of those who we think we know so well but really only fleetingly It brings a historical story into today s setting **My Christmas Angel** Michael Car Reimann,2005-11 In the midst of a major Washington D C snowstorm Dr Dell Forsythe is blind sided Neither he nor anyone he knows has ever witnessed anything like it Just before Christmas a terminally ill cancer patient under his care has a miraculous recovery Without any medical explanation relatives and staff are convinced that a heaven sent angel is responsible It s not that Forsythe doesn t want to believe in miracles it s just that after years of professional disappointments and personal regrets he s well past skeptical That is until he meets the angel Violet. A tale for Easter-Tide. By the author of "My Christmas Home," etc ,1859 **My Brooklyn . . . Your Brooklyn** Kevin J. Leddy,2017-07-11 Let me just say that if you took two people who grew up in different neighborhoods in Brooklyn and sat them down in a room together they could talk for hours on end and basically share the same stories as if they grew up right next door to each other You see that is why I am writing this book The stories that I will share with you as you turn each page do not belong to me exclusively They are YOUR stories just as much as they are mine All you really have to do is change the names and faces and use your own neighborhood as their back drop and believe me they are yours I have included after each story an empty page for you to put your story on it so it will become Your Brooklyn and a journal to pass on to those who you wish to remember your story
