God's Good Economy Andrew Hartropp,2019-08-15 The earth is the Lord s Ps 24 1 God states that He is the rightful owner of the earth and everything in it God wants people to enjoy material things but God must be the centre of our lives Christ s radical call to his followers includes the call to let him drive our economic and business life This means letting God s justice rule all our economic relationships treating people rightly a constant seeking of justice for especially the poor and needy working so that all participate in God s blessings including material blessings In Part 1 Andrew Hartropp looks at how Christ s followers are to do justice in our economic relationships as individuals as households in the workplace and as church communities Then moving outward in concentric circles Part 2 shows how Jesus s disciples can do justice in and through secular institutions including companies and firms banks and other financial institutions then government institutions and then in the international global context The epilogue is on the glorious vision of God s everlasting kingdom which both drives us and also keeps our efforts now in proper perspective

The Processes and Practices of Fair Trade Brigitte Granville,Janet Dine,2013 Fairtrade has established itself as a distinct phenomenon within the realm of global consumerism Fairtrade aims to protect small producers against price volatility and inadequate incomes as well as to provide community benefits health care education It relies on consumer purchases of FT products carried out at agreed minimum prices These purchases measure the trust accorded to the scheme which is founded

on a system of certification comprising a series of recommended producer welfare enhancing standards that FT products must satisfy

Human Rights and Capitalism Janet Dine,A. Fagan,2006-01-01 Human Rights and Capitalism brings together two important facets of the globalization debate and examines the complex relationship between human rights property rights and capitalist economies Human rights issues have become increasingly important in this debate and their place as harbingers of justice or as an instrument of oppression is fiercely contended Both sides of this issue are considered in the contributions to this book and the complex relationships between human rights human dignity and capitalist economies are the themes running throughout the work Appearing at a time when these issues are a subject of extreme controversy this book is distinguished by its balanced and academic approach

Handbook of Research on Contemporary Consumerism Kaufmann, Hans Ruediger,Panni, Mohammad Fateh Ali Khan,2019-09-20 Societal marketing has gained widespread recognition in the marketing discipline both in academia and the professional industry The Handbook of Research on Contemporary Consumerism is an essential reference source that provides an in depth understanding on the various aspects and issues of consumerism and reveals the critical success factors and conceptual and theoretical frameworks of these concepts from recent contexts and perspectives Additionally it examines the impact of identity on marketing and branding from the consumerist perspective discusses consumerism as a source of innovation and product development and provides insights on consumerism and profitability Featuring research on topics such as circular economy digital marketing and social media this book is ideally designed for practitioners managers marketers academic researchers and students

Food and the Self Isabelle de Solier,2013-10-10 We often hear that selves are no longer formed through producing material things at work but by consuming them in leisure leading to meaningless modern lives This important book reveals the cultural shift to be more complex demonstrating how people in postindustrial societies strive to form meaningful and moral selves through both the consumption and production of material culture in leisure Focusing on the material culture of food the book explores these theoretical questions through an ethnography of those individuals for whom food is central to their self foodies It examines what foodies do and why they do it through an in depth study of their lived experiences The book uncovers how food offers a means of shaping the self not as a consumer but as an amateur who engages in both the production and consumption of material culture and adopts a professional approach which reveals the new moralities of productive leisure in self formation The chapters examine a variety of practices from fine dining and shopping to cooking and blogging and include rare data on how people use media such as cookbooks food television and digital food media in their everyday life This book is ideal for students scholars and anyone interested in the meaning of food in modern life

Fashion eBook GURMEET SINGH DANG, **The Conscious Kitchen** Immy Lucas,2024-10-22 The Conscious Kitchen is a beginner s guide to transforming how you cook eat and stock your kitchen to reduce waste lower your impact and live more sustainably
