The Rough Guide to Ethical Living Duncan Clark, 2006 Going green without the tree hugging Climate change fair trade ethical investment organic food solar planets modern life is complex for consumers with a conscience What green and ethical advice is worth following Which products and companies should we support or avoid The Rough Guide to Ethical Living cuts through the greenwash to answer these and many other questions Low Carbon Living From electricity to cars how to reduce your greenhouse emissions at home and on the road Responsible Shopping Tea to trainers fish to furniture cosmetics to cleaners the problems and ethical options The Issues Do boycotts work Is buying local better How fair is fair trade What about third world labour Packed full of information and with tips on doing your own research The Rough Guide to Ethical Living is the ultimate handbook for responsible consumers *Conversations On Ethics And Business* Randy Richards, Borna Jalsenjak, Kristijan Krkac, 2023-11-25 Conversations about real life ethically challenging situations form the core of the book aimed specifically at business school teachers and students Conversations on Ethics and Business offers a direct line and insight into workplace ethics for an undergraduate and graduate audience Each topical conversation is followed by a curated and guided list of additional readings The book also offers an introduction to business ethics for working professionals who may not have had any formal exposure to ethical examination of the typical problems of running a business The authors approach business ethics as an integrative part of everyday business decisions with the aim of promoting better choices and creating value for various stakeholders Filled with real world examples Conversations on Ethics and Business serves as a primer for all readers interested in business ethics and applied ethics in general Suffer the Children Gary Scott Smith, Jane Marie Smith, 2017-01-31 We all say that we care about children We all know that millions of children around the world including in the United States are suffering physically materially and emotionally and are unable to reach their full potential Moreover their material deprivation and physical ills often prevent them from responding to the gospel Most of us conclude that we cannot do anything significant to help the impoverished children living in our own backyards let alone those living in the slums of Nairobi or the hinterlands of Haiti We can however do much to improve their lives materially and spiritually Through praying giving generously sponsoring children volunteering with aid organizations living more simply investing and shopping more prudently and advocating more zealously in the political arena we can make a difference We can prod politicians business executives and church leaders to prioritize aiding destitute children We can support one of the hundreds of organizations that are working effectively to help indigent children have better lives Suffer the Children describes the plight of poor children and provides many practical ways we can participate in one of the most important crusades to improve our world **Coffee Activism and the Politics of Fair Trade and Ethical Consumption in the Global North** Eleftheria J. Lekakis, 2013-08-22 This book explores the politics borne of consumption through the case of coffee activism and ethical consumption It analyses the agencies structures repertoires and technologies of promotion and

participation in the politics of fair trade consumption through an exploration of the relationship between activism and consumption

Beyond Borders Dr. Neeru Jain & Dr. Pallavi Kohli, 2024-01-21 Sustainability is a complex concept that intertwines social economic and environmental considerations necessitating a holistic approach to address global challenges This preface explores the multi dimensional facets of sustainability within the realms of Fine Art Fashion Jewellery and Business In Fine Art artists leverage their creative prowess to address environmental issues and advocate for harmony between humanity and the planet The preface delves into the evolving role of Fine Art as a platform for ecological advocacy and a catalyst for meaningful dialogue Fashion often criticized for environmental impacts is undergoing a revolutionary shift towards sustainability Designers and brands are embracing eco friendly materials and ethical practices reshaping the industry s foundations The preface examines the transformative journey of the fashion world towards responsible and environmentally conscious practices Jewellery intimately tied to personal expression undergoes a renaissance with artisans embracing sustainability Ethically sourced gemstones recycled metals and eco friendly processes redefine the craft The preface explores the intersection of beauty responsibility and craftsmanship in sustainable jewellery Sustainability in design extends from architecture to everyday consumer products The preface highlights innovative approaches where designers seamlessly integrate Beyond Borders sustainability into their creations shaping the aesthetics of our shared environment In business a paradigm shift is evident as companies recognize the link between profitability and sustainable practices The preface explores the emergence of sustainable business models emphasizing environmental and social responsibility as integral components of success Throughout this exploration the preface invites readers to delve into inspiring narratives transformative initiatives and visionary leaders shaping a future where beauty aligns with the planet s preservation It emphasizes the intersection of creativity and sustainability where Fine Art and Design converge to inspire provoke and shape a future that cherishes both artistic spirit and ecological balance In the dynamic realm where art fashion jewellery and business intersect this preface serves as an exploration into the transformative journey undertaken by these creative industries redefining their roles in the global landscape of innovation aesthetics and responsibility Dr Neeru Jain Dr Pallavi Kohli

The Rough Guide to Ethical Shopping Duncan Clark, 2004 Shopping can sometimes seem like a moral minefield But which companies and products should we support or avoid And which ethical claims can we trust This title cuts through the greenwash to answer these and many other questions

Fair Trade, Corporate Accountability and Beyond Shelley Marshall, 2016-04-15 As trade and production have increasingly crossed international boundaries private bodies and governments alike have sought new ways to regulate labour standards and advance goals of fairness and social justice Governments are harnessing social and market forces to advance corporate accountability while private bodies are employing techniques drawn from command and control regulation to shape the behaviour of business This collection brings together the research and reflections of a diverse international mix of academics activists and practitioners in the fields of

fair trade and corporate accountability representing perspectives from both the industrialized and developing worlds Contributors provide detailed case studies of a range of social justice governance initiatives documenting the evolution of established strategies of advocacy and social mobilization and evaluating the strengths and limitations of voluntary initiatives compared with legally enforceable instruments

Truth Be Told John O'Brien, David Gallagher, 2021-04-03 Purpose as a business philosophy has resulted in organizations struggling to make sense of what they need to do and made purpose washing commonplace Identify the challenges and opportunities in the age of purpose and learn how to create authentic messaging activate successful campaigns and assess the value that these have for key audiences Purpose has become a leadership and managerial imperative for businesses large and small non profit organizations and charities However many businesses don't know how to clearly execute this and the marketing and PR function of many companies struggle disproportionately as a result This has led to an increase in cynicism and the growth of purpose washing However when purpose is created with an authentic culture the opportunity for building brand reputation and positive customer engagement is significant Truth Be Told will help readers understand exactly how to achieve this and present the core truths of their company or organization to drive clear authentic purpose powered communication
