- Choose 3-5 questions (or more), and write out each question using one word per card. Be sure to include the question mark on the last word to help the students recognize the end of a question.
- Hand out the cards and ask students to reorganize the words so they form a grammatically correct question.
- Try not to group students in more than 3/4 per group.
- Entice your 5s by offering a prize to the group that finishes first.
