Behind Mud Walls 75 Years In A North Ind:

Behind Mud Walls William Wiser, Charlotte Wiser, Susan S. Wadley, 1963 A classic account of an Indian village with an extended postscript written a generation later *The Indian Way* John M Koller, 2016-05-23 There is no other book that explains both the philosophies and religions of India in their full historical development The Indian Way is accessible to beginning students and does justice to the Indian tradition s richness of religious and philosophical thought Clear and powerful explanations of yajna and dharma and appealing intimate descriptions of Krishna Kali and Shiva allow students to read some of the great Indian texts for themselves **Struggling with Destiny in Karimpur, 1925-1984** Susan S. Wadley, 2023-07-28 Susan Wadley first visited Karimpur the village behind mud walls made famous by William and Charlotte Wiser as a graduate student in 1967 She returned often adding her observations and experiences to the Wisers field notes from the 1920s and 1930s In this long awaited book Wadley gives us a work of unprecedented scope a portrait of an Indian village as it has changed over a sixty year period She hears of changes in agriculture labor relations education and the family But Karimpur s residents do not speak with one voice in describing the ways their lives have changed viewpoints vary considerably depending on the speaker s gender economic status and caste Using cultural documents such as songs and stories as well as data on household budgets and farming practices Wadley examines what it means to be poor or rich female or male She demonstrates that the forms of subordination prescribed for women are paralleled by those prescribed for lower castes Villagers also speak of political struggles in India and of the importance of religion when confronting change Their stories songs and life histories reveal the rich fabric of Karimpur and show how much can be learned from listening to its people Susan Wadley first visited Karimpur the village behind mud walls made famous by William and Charlotte Wiser as a graduate student in 1967 She returned often adding her observations and experiences to the Wisers field notes from the 1920s and 1930s I *Guide to Reprints* , 2009 [The Oxford Handbook of Caste](#) Surinder S. Jodhka, Jules Naudet, 2023 The Oxford Handbook of Caste brings together a wide range of essays encompassing various academic disciplines to lay the foundations for a new understanding of caste capturing emerging research trends imaginations and the lived realities of caste *Indian Antiquary* , 1876 At a time when each Society had its own medium of propagation of its researches in the form of Transactions Proceedings Journals etc a need was strongly felt for bringing out a journal devoted exclusively to the study and advancement of Indian culture in all its aspects This encouraged Jas Burgess to launch the Indian antiquary in 1872 The scope was in his own words as wide as possible incorporating manners and customs arts mythology feasts festivals and rites antiquities and the history of India Another laudable aim was to present the readers abstracts of the most recent researches of scholars in India and the West Indian antiquary also dealt with local legends folklore proverbs etc In short Indian antiquary was entirely devoted to the study of MAN the Indian in all spheres introduction to facsimile volumes published 1985 **Gazetteer Territories under the Government East-India Company** Edward Thornton, 2025-08-29
