Behavioral

Interventions in Schools Angeleque Akin-Little, 2009 This book provides school psychologists counselors social workers school administrators and teachers with a summary of ecologically sound primary secondary and tertiary prevention strategies The contributors cover fundamentals such as how to conduct a behavioral assessment how to measure treatment integrity and response to intervention and how to promote generalization and maintenance of learned positive behaviors

They also discuss prevention measures such as positive behavior support and group contingencies that schools can implement system wide. Several chapters describe more narrowly focused interventions such as daily report cards and self modeling while the final section explains how to customize behavioral strategies for special populations such as preschoolers children with autism internalizing or externalizing disorders and those who have experienced trauma. *Approaches to Behavior and Classroom Management* W. George Scarlett, Iris Chin Ponte, Jay P. Singh, 2008-11-21. *Approaches to Behavior and Classroom Management* focuses on helping teachers use a variety of approaches in behavior and classroom management in order to make good decisions when faced with the challenge of creating positive classroom communities. Today's classrooms often include children from a variety of backgrounds and with different needs that must be met if these children are to thrive in school. This text will provide teachers and other educators with the historical and cultural framework necessary to understand approaches to behavior and classroom management, a deep understanding of each approach and a tool belt of relevant methods from which to choose to meet the needs of various situations. Ancillaries available including Instructor's Resource CD ROM for qualified instructors, Student Resource CD ROM, Student Study Site www.sagepub.com/scarlettstudy. *Classroom Behavior Management for Diverse and Inclusive Schools* Herbert Grossman, 2004. This text utilizes a three stage approach to classroom behaviour management to assist teachers to avoid behaviour problems, manage those that cannot be avoided and resolve those that cannot be managed. **Adolescence**, 2000.
