Johnson, 1982 Systematic Theology, Volume 2, Second Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary **Chaucer's Church: A Dictionary of Religious Terms in Chaucer** Edward Foster, 2019-01-15 This title was first published in 2002 The purpose of Chaucer's Church is to provide clear concise and reliable explanations of every term Chaucer uses that has a religious liturgical or ecclesiastical meaning It uses a dictionary format arranged according to Chaucer's spellings to make information readily accessible for students teachers critics and the general reader The shorter entries present brief definitions which are more lively and illuminating than those in standard dictionaries or glossaries the longer entries are in fact short essays with suggestions for further reading on broader or more complex topics In all cases the entries concentrate on lucid and accurate presentation of the meanings that the terms had or could have had for Chaucer and a 14th century audience The book is a compact but precise reference for readers of all levels of experience on the vocabulary of fourteenth century religion which is often unfamiliar or only hazily understood **Spirituality That Makes a Difference** Charles R. Kniker, 2022-04-07 Want to make your life more meaning FULL Most of us do This book is a guide offering ways to do just that Charles Kniker brings fifty plus years of listening as a teacher preacher observer and writer to a conversation with you With questions and real life
