A Lunch Line Caleen Jennings,1989-01-01 *Teaching Drama 11-18* Helen Nicholson,2000-06-01 Drama teachers often thrive on shared experience and the imaginative exchange of ideas and perspectives Yet books that provide such access are strangely hard to find *Teaching Drama 11 18* is an inspiring comprehensive and vibrant guide to effective and liberating practice in this subject **Plays from Contemporary Hungary: 'Difficult Women' and Resistant Dramatic Voices**

Krisztina Tóth,Janos Hay,György Spiró,2024-01-25 A unique collection of five contemporary plays from 21st century Hungary translated into English for the first time Written by some of Hungary s most highly prolific and commercially successful dramatic voices these plays are being produced in their native Hungary by theatres that do not adhere to Viktor Orb n s values and offer a counterpoint to the commercial Boulevard Theatre scene of Budapest Translator and theatre maker Szilvi Naray champions these unheard voices through her performable and dramatically engaging translations The plays are aimed at micro budget productions and offer a special opportunity for students and small theatre companies alike to engage with these witty politically irreverent plays finally in English Each of the selected playwrights has been in direct conflict with the Hungarian government and has been demonised by the state controlled press The five plays are thematically threaded together by their common use of strong leading female protagonists with an overarching theme of the family unit Through the edited introduction the themes and feminine translation strategy discusses how the plays offer a microcosmic lens for understanding the paradox that today s Hungary exemplifies making this a necessary study into the world of contemporary Hungary through drama **Modern Girls, Shining Stars, the Skies of Tokyo** Phyllis Birnbaum,1999-03-08 The stunning biographical portraits in *Modern Girls Shining Stars the Skies of Tokyo* some adapted from essays that first appeared in *The New Yorker* explore the lives of five women who did their best to stand up and cause more trouble than was considered proper in Japanese society Their lives stretch across a century and a half of explosive cultural and political transformations in Japan These five artists two actresses two writers and a painter were noted for their talents their beauty and their love affairs rather than for any association with politics But through the fearlessness of their art and their private lives they influenced the attitudes of their times and challenged the status quo Phyllis Birnbaum presents her subjects from various perspectives allowing them to shine forth in all of their contradictory brilliance generous and petulant daring and timid prudent and foolish There is Matsui Sumako the actress who introduced Ibsen s *Nora* and Wilde s *Salome* to Japanese audiences but is best remembered for her ambition obstreperous temperament and turbulent love life We also meet Takamura Chieko a promising but ultimately disappointed modernist painter whose descent into mental illness was immortalized in poetry by a husband who may well have been the source of her troubles In a startling act of rebellion the sensitive aristocratic poet Yanagiwara Byakuren left her crude and powerful husband eloped with her revolutionary lover and published her request for a divorce in the newspapers Uno Chiyo was a popular novelist who preferred to be remembered for the romantic wars she

fought Willful shrewd and ambitious Uno struggled for sexual liberation and literary merit Birnbaum concludes by exploring the life and career of Takamine Hideko a Japanese film star who portrayed wholesome working class heroines in hundreds of films working with such directors as Naruse Kinoshita Ozu and Kurosawa Angry about a childhood spent working to provide for greedy relatives Takamine nevertheless made peace with her troubled past and was rewarded for years of hard work with a brilliant career Drawing on fictional accounts interviews memoirs newspaper reports and the creative works of her subjects Birnbaum has created vivid seamless narrative portraits of these five remarkable women Modern Girls on the Go Alisa Freedman, Laura Miller, Christine R. Yano, 2013-04-17 This spirited and engaging multidisciplinary volume pins its focus on the lived experiences and cultural depictions of women's mobility and labor in Japan The theme of modern girls continues to offer a captivating window into the changes that women's roles have undergone during the course of the last century Here we encounter Japanese women inhabiting the most modern of spaces in newly created professions moving upward and outward claiming the public life as their own shop girls elevator girls dance hall dancers tour bus guides airline stewardesses international beauty queens overseas teachers corporate soccer players and even female members of the Self Defense Forces Directly linking gender mobility and labor in 20th and 21st century Japan this collection brings to life the ways in which these modern girls historically and contemporaneously have influenced social roles patterns of daily life and Japan's global image It is an ideal guidebook for students scholars and general readers alike Nine Plays of the Modern Theater David Rabe, 1981 Contains the scripts of nine significant plays of the modern theater written between 1944 and 1975 by playwrights including Harold Pinter Bertolt Brecht Samuel Beckett Friedrich Durrenmat Jean Genet Eugene Ionesco Slawomir Mrozek Tom Stoppard and David Mamet **Contemporary Literary Criticism** Jeffrey W.
