Pazmiño, 2001-11-01 A topic of frequent discussion in religious education circles is the relationship between theology and practice How does Christian theology work itself out in the teaching ministries of the church Noted Christian education thinker Robert Pazmiño contemplates this debate and offers a contemporary overview of the messages theology brings to Christian education Sensitive to today's expanding global culture God Our Teacher reaffirms the essential role theology plays in developing educational practices and conventions and carefully fleshes out what it means to use the Trinity as a model for ordering educational thought and practice This book will be welcomed by all those involved in fostering the growth and development of Christian education *Basics of Teaching for Christians* Robert W. Pazmiño, 2002-07-17 **Fundamentals of Christian Education** Ellen Gould Harmon White, 1979

By What Authority Do We Teach? Robert W. Pazmiño, 2002-04-29 To reject power and its legitimate use is ultimately to reject God's gift and intention for Christians as we live in the world writes Robert W Pazmiño He defines what authority is and how it is perceived by and operates in various Christian communities He applies these factors and the need for confident authoritative teachers specifically to the ministry of Christian education *By What Authority Do We Teach* completes a trilogy covering key elements of evangelical education Also in print are *Foundational Issues in Christian Education* an agenda of theological sociological psychological curricular and other concerns and *Principles and Practices of Christian Education* which integrates conversion and connection into the teaching task *Encyclopedia of Christian Education* George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In *The Encyclopedia of Christian Education* contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women's education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and

five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education

Foundational Issues in Christian Education Robert W. Pazmiño, 2008-09 Updated and revised this book explores the essential foundations of Christian education that educators draw upon in their thought and practice *Principles and Practices of Christian Education* Robert W. Pazmiño, 2002-04-29 Principles and Practices of Christian Education shows teachers how they can use two important principles that stand behind all evangelical practices to make their education program stand out from all the others in its nurture of students First evangelical Christian education recognizes the need for conversion personal and corporate transformation that reconnects people to their Creator Second evangelical Christian education strives for connection making contact with people as unique individuals who live in a particular society and who need to know more about scripture In this book Christian education students learn that the work for which they prepare is a partnership with God to transform people Their central task is worship but through it and other activities they lead others to faith commitment and transformation of communities Basics of Teaching for Christians Robert W. Pazmino, 2002-07-17
