Underbelly Hoops Carson Cunningham,2012-01-16 UNDERBELLY HOOPS covers Carson Cunningham s final season in the storied and now defunct Continental Basketball Association CBA In the process it takes a sober look at minor league professional basketball as Cunningham tries to navigate a poor relationship with his coach and yet finish his career on his own terms by playing a final season and winning a championship As UNDERBELLY HOOPS shows the CBA was a realm where hopeful players desperately hung on and crusty motels might very well have no clocks It was a place where a trainer could be ordered to fill the visiting team s cooler with warm shower water and a coach might tell a player namely Cunningham that he was focusing too much on his marriage and child rather than basketball It was also a place where entire hotel wings could become saturated with the pungent smell of marijuana And yet even as it chipped away at your dignity and made little economic sense to remain the CBA drew you in with the allure of action and the prospect of an NBA call up And it could inspire like when you and your teammates caught a rhythm that made you remember why basketball is such a beautiful game or when you saw guys continue to strive to persevere even if their dreams weren t fully realized The hoops answer to Ball Four By turns funny and poignant and always self aware this book allows fans into the locker room and huddle yes but also into the cortex of a professional basketball player If Carson Cunningham could have jumped run and created his shot off the dribble as masterfully as he writes and observes he d be starring in the NBA L Jon Wertheim Senior Writer for SPORTS ILLUSTRATED *Bloopers, Botches & Blunders* Allan Zullo,1998 **Arizona Silly Basketball Sportsmysteries** Carole Marsh,1994 **Tricksters in the Madhouse** John Christgau,2004-01-01 The story of the pivotal first meeting between the all white Minneapolis Lakers and the black Harlem Globetrotters in 1948 re creates the game play by play and demonstrates how it represented an important step toward equality **The Complete Idiot's Guide to Basketball** Walt Frazier,Alex Sachare,2004-10-25 Irreverent in approach these guides include tips and advice from leading authorities aiming to help with life s big decisions and challenges as well as hobbies This book should help readers how to watch and understand basketball **Basketball (and Other Things)** Shea Serrano,2017-10-10 1 New York Times bestseller Who is the greatest dunker of all time Which version of the Michael Jordan was the best Michael Jordan What is allowed and absolutely not allowed in a game of pickup basketball Basketball and Other Things presents readers with a whole new set of pivotal and

ridiculous fan disputes from basketball history providing arguments and answers explained with the wit and wisdom that is unique to Shea Serrano Serrano breaks down debates that NBA fans didn't even know they needed from the classic How many years during his career was Kobe Bryant actually the best player in the league to the fantastical If you could assign different values to different shots throughout basketball history what would they be and why With incredible art from Arturo Torres this book is a must have for anyone who has ever stayed up late into the night debating basketball's greatest moments what ifs stories and legends or for those who are discovering the mythology of basketball for the first time
