A History Of The Soviet Union:

A History of the Soviet Union Geoffrey A. Hosking, 1985 *A History of the Soviet Union, 1945-1991* John L. H. Keep, 2002 Described as one of the most tragic human experiences in human history the Soviet Union as an empire holds much intrigue and fascination for the Western world It held unquestionable status as an empire with its coverage of over 100 nationalities Its status as the Last of the Empires depends on what the future may hold but any future empires will undoubtedly be based on intellectual and institutional foundations far different from those developed during the Soviet era Here John Keep presents the narrative history of the USSR from the last years of Stalin to the checkered fate of Gorbachev s reform policies and the ultimate collapse of the empire under manifold centrifugal pressures Focusing upon political economic social and cultural developments the book is divided into four parts the last years of Stalin Nikita Krushchev s abortive attempts to reform Communist rule the years 1964 1985 covered largely by Breshnev s long tenure of power and lastly Gorbachev s abortive attempts to promote a reformed democratic communism **A History of the Soviet Union from the Beginning to the End** Peter Kenez, 2006-05-01 An examination of political social and cultural developments in the Soviet Union The book identifies the social tensions and political inconsistencies that spurred radical change in the government of Russia from the turn of the century to the revolution of 1917 Kenez envisions that revolution as a crisis of authority that posed the question Who shall govern Russia This question was resolved with the creation of the Soviet Union Kenez traces the development of the Soviet Union from the Revolution through the 1920s the years of the New Economic Policies and into the Stalinist order He shows how post Stalin Soviet leaders struggled to find ways to rule the country without using Stalin s methods but also without openly repudiating the past and to negotiate a peaceful but antipathetic coexistence with the capitalist West In this second edition he also examines the post Soviet period tracing Russia s development up to the time of publication **A History of the Soviet Union** David MacKenzie, Michael W. Curran, 1990 The book provides sound and detailed information on political and diplomatic history as well as on economic social intellectual and cultural history The second edition includes more material on minority peoples and continues the full coverage of women This volume will be the most current and concise of the Soviet history texts available *Russia* Woodford McClellan, 1986 **The Shortest History of the Soviet Union** Sheila Fitzpatrick, 2022-09-06 In 1917 Bolshevik revolutionaries came to power in the war torn Russian Empire in a way that defied all predictions including their own Scarcely a lifespan later in 1991 the Soviet Union collapsed as accidentally as it arose The decades between witnessed drama on an epic scale the chaos and hope of revolution famines and purges hard won victory in history s most destructive war and worldwide geopolitical conflict all entwined around the dream of building a better society This book is a lively and authoritative distillation of this complex history told with vivid details a grand sweep and wry wit The acclaimed historian Sheila Fitzpatrick chronicles the Soviet Age its rise reign and unexpected fall as well as its afterlife in today s Russia She

underscores the many ironies of the Soviet experience An ideology that claimed to offer humanity the reins of history wrangled with contingency An avowedly internationalist and anti imperialist state birthed an array of nationalisms And a vision of transcending economic and social inequality and injustice gave rise to a country that was in its way surprisingly normal Moving seamlessly from Lenin to Stalin to Gorbachev to Putin The Shortest History of the Soviet Union provides an indispensable guide to one of the twentieth century s great powers and the enduring fascination it still exerts *A History of Russia and the Soviet Union* David MacKenzie, Michael W. Curran, 1982 *The First Socialist Society* Geoffrey A. Hosking, 1993 *The Soviet Colossus* Michael Kort, 1990 ***A History of the Soviet Union from the Beginning to Its Legacy*** Peter Kenez, 2016-10-24 This concise yet comprehensive textbook examines political social and cultural developments in the Soviet Union and the post Soviet period It begins by identifying the social tensions and political inconsistencies that spurred radical change in Russia s government from the turn of the century to the revolution of 1917 Peter Kenez presents this revolution as a crisis of authority that the creation of the Soviet Union resolved The text traces the progress of the Soviet Union through the 1920s the years of the New Economic Policies and into the Stalinist order It illustrates how post Stalin Soviet leaders struggled to find ways to rule the country without using Stalin s methods but also without openly repudiating the past and to negotiate a peaceful but antipathetic coexistence with the capitalist West This updated third edition includes substantial new material discussing the challenges Russia currently faces in the era of Putin
