campaign that forever altered the course of American history and is still the only complete edition of Carman's work on the market. Due to an unfortunate case of mistaken identity, the man currently appearing in the frontispiece of *The Maryland Campaign of September 1862* is not the actual Ezra Carman but someone who looks remarkably similar to him. The real Mr. Carman can be found at <http://www.loc.gov/pictures/item/cwp2003001783>. We apologize for the mistake and will correct this error in further printings.
