Basic Health Care In Developing Countries An Epidemiological Perspective Oxford Medical Publications:

National Library of Medicine Current Catalog National Library of Medicine (U.S.),1993 First multi year cumulation covers six years 1965 70 Basic Health Care in Developing Countries International Epidemiological Association,1978

Current Catalog National Library of Medicine (U.S.),1979 Includes subject section name section and 1968 1970 technical reports Health Planning for Effective Management William A. Reinke,1988-04-14 Emphasizing practical considerations in designing and carrying out primary health care programs this is a superb introductory text for public health students It will be of particular interest to those working with rural populations in developing countries with limited resources Part I covers policy issues and the conceptual framework for planning management and evaluation Part II reviews essential methods for effective implementation considering the economic political epidemiologic demographic and other components that contribute to the assessment of health needs and resource allocation Part III discusses specific tools and techniques in program management related to decision analysis network analysis survey techniques cost effectiveness appraisal and much more Comprehensive and informative this highly practical work is the result of many years of experience in teaching and working with health care planners from around the world **When Culture Impacts Health** Cathy Banwell,Stanley Ulijaszek,Jane Dixon,2013-01-25 Bringing the hard to quantify aspects of lived experience to analysis and emphasizing what might be lost in interventions if cultural insights are absent this book includes case studies from across the Asia and Pacific regions Bangladesh Malaysia New Guinea Indonesia Thailand South Korea Australia New Zealand Tuvalu and the Cook Islands When Culture Impacts Health offers conceptual methodological and practical insights into understanding and successfully mediating cultural influences to address old and new public health issues including safe water delivery leprosy Attention Deficit Hyperactivity Disorder and body image It contains useful methodological tools how to map cultural consensus measure wealth capital conduct a cultural economy audit for example It provides approaches for discerning between ethnic and racial constructs and for conducting research among indigenous peoples The book will be indispensable for culture and health researchers in all regions Discusses global application of case descriptions Demonstrates how a cultural approach to health research enriches and informs our understanding of intractable public health problems Covers methods and measurements applicable to a variety of cultural research approaches as well as actual research results Case studies include medical anthropology cultural epidemiology cultural history and social medicine perspectives *Health planning reports subject index* United States. Health Resources Administration,1979 Research Methods in Community Medicine Joseph Abramson,Z. H. Abramson,2011-08-24 A simple and systematic guide to the planning and performance of investigations concerned with health and disease and with health care Offers researchers help in choosing a topic and to think about shaping objectives and ideas and to link these with the appropriate choice of method Fully updated with new sections on the use of the Web and computer programmes freely available in the planning performance or analysis of studies

American Book Publishing Record ,2003 Routledge Handbook of Global Public Health in Asia Siân M. Griffiths, Jin Ling Tang, Eng Kiong Yeoh, 2014-04-16 Global public health is of growing concern to most governments and populations nowhere more so than in Asia the world's largest and most populous continent Whilst major advances have been made in controlling infectious diseases through public health measures as well as clinical medical treatments the world now faces other challenges including ageing populations and the epidemic crisis of obesity and non communicable diseases New emerging infections continue to develop and the growing threats to health due to environmental pollution and climate change increase the need for resilience and sustainability These threats to health are global in nature and this Handbook will explore perspectives on current public health issues in South Southeast and East Asia informing global as well as regional debate Whilst many books cite Western examples of the development of global public health this Handbook brings together both Western and Eastern scholarship creating a new global public health perspective suitable to face modern challenges in promoting the population's health This Handbook is essential reading not only for students professionals and scholars of global public health and related fields but is also written to be accessible to those with a general interest in the health of Asia

Disease Control Priorities in Developing Countries Dean T. Jamison, Joel G. Breman, Anthony R. Measham, George Alleyne, Mariam Claeson, David B. Evans, Prabhat Jha, Anne Mills, Philip Musgrove, 2006-04-02 Based on careful analysis of burden of disease and the costs of interventions this second edition of *Disease Control Priorities in Developing Countries* 2nd edition highlights achievable priorities measures progress toward providing efficient equitable care promotes cost effective interventions to targeted populations and encourages integrated efforts to optimize health Nearly 500 experts scientists epidemiologists health economists academicians and public health practitioners from around the world contributed to the data sources and methodologies and identified challenges and priorities resulting in this integrated comprehensive reference volume on the state of health in developing countries
