

A Basic Writing Guide

Writing is one of the most important skills that you can develop as a student. It can help you in so many ways. For example, writing can help you become . . .

- **a strong learner** (someone who really gets involved in his or her school work),
- **a clear thinker** (someone who knows how to make decisions or solve problems), and
- **a good communicator** (someone who knows how to express his or her ideas).

In fact, writing is so important that you need to learn many things about it. In addition, you need to write as often as you can. To become a good writer, you must practice!

What's Ahead

All of the chapters in "Understanding Writing" will help you learn about writing . . . and encourage you to write regularly. This chapter, for example, provides key background information and introduces you to the writing process.
