Basic Concepts in Christian Pedagogy Jan Waterink, 2012-03-01 **Basics of Christian Education** Karen

Tye, 2000-01-01 Congregations are always struggling with what quality Christian education is and how to build and maintain it. In this concise and easy to use guide, Karen Tye offers practical help addressing the vital areas that need attention when planning for and building a Christian education program. Questions and exercises at the end of each chapter help pastors, Christian educators, seminary students, and laity apply the information to their own unique setting, building on the basics to renew and transform Christian education. **Christian Education Teaching Methods - From Modern to Postmodern**

Carlos C. Roberts, 2009-11 This book provides pastors, professional teachers, students of religious education, or Christian education, theological students, and Sunday school teachers with methods of teaching the faith today and opportunities to reflect critically on the methods and approaches they use in the classroom in the changed cultural context of our postmodern world. The book is the result of years of practical experience in the field of Christian education as a Director of Religious Education and head of a team involved in providing religious education training and producing teaching materials and textbooks for Sunday school and professional teachers of Christian education. This book proposes the Herald model of church and model of Christian education as a very helpful model for postmodern culture. *Foundations for Christian Education*

Eleanor Ann Daniel, John William Wade, 1999 Here is an excellent resource for your Christian Education program. Daniel and Wade discuss the foundations of an effective Christian Education program and tackle organizational and administrative issues involved with such a program. You will also find age-specific information for all ages of learners. If you are a Christian Ed Director or a teacher who wants to better understand the elements of a C E program that will make a difference in the lives of the teachers and the students, this is the book for you. *The principles of christian education and the confessional schools: lutheran administration in the context of the pedagogic ideas in the south of Brazil* Marli Dockhorn

Lemke, 2023-01-26 This work is developed from studies about the principles of the Christian Lutheran education and the administration of confessional schools in the context of the pedagogic ideas in the south of Brazil, 1824-1997. This subject is of general interest as it can be verified by the selection of articles published in the magazines of the Lutheran Churches in Brazil. This administration encompasses the director, the professor, and the parents so that they may work together in search for a clear view of the mission that is the meaning of the existence of a confessional school. The aims of this research is to clarify questions in the History of Education as well as in the administration of private and confessional schools. The following problem is raised: What are the Christian principles and the pedagogic tendencies and approaches which orient the administration of Lutheran confessional schools in south Brazil, 1824-1997? A survey of the publications of IELB Igreja Evangelica Luterana do Brasil and of IECLB Igreja Evangelica de Confiss o Luterana do Brasil from 1824 to 1997. The year of 1824 was chosen because that year is considered because of the German immigration as the beginning of the arrival of the

Lutheran ideas in Brazil Max Weber's comprehensive method is used because it is adequate for the analysis One may affirm that the social action management in a Lutheran confessional school continues to be the quest to make the Christian principles concrete
