Basque Politics And Nationalism On The Eve Of The Millennium:

Basque Politics and Nationalism on the Eve of the Millennium William A. Douglass, 1999 In the summer of 1998 the University of Nevada Reno hosted an international symposium entitled Basques in the Contemporary World Migration Identity and Globalization attended by nearly eighty scholars Selected papers from the symposium are now available in three volumes published in the Occasional Papers Series of the Basque Studies Program at the University of Nevada Reno These eleven essays focus on Basque nationalism and institutions in the European Union in an increasingly globalized world the image of Basques in the international media depictions of ETA in the Spanish press and cinema the status of Navarre and the French Basque country within or without Basque nationalism and the articulation of a Basque foreign policy through the Basque Government's diaspora policy *Identity, Culture, And Politics In The Basque Diaspora* Gloria Pilar Totoricagüena, 2015-03-20 Gloria P Totoricagüena presents a thorough comparative examination of the remarkable endurance of Basque identity and culture in six countries of the far flung Basque diaspora Using the results of interviews and extensive anonymous surveys with more than eight hundred informants in the diaspora plus extensive research in archives and printed sources in all six of her study countries Totoricagüena reveals for the first time the complex and interrelated universe of these dispersed Basques She explores the elements of their migration patterns and the institutions that have encouraged identity maintenance the impacts on established communities of each new wave of immigrants and the nature of economic and political ties with the homeland Totoricagüena offers a superb quantitative study of an aspect of Basque culture that has been largely ignored by scholars the diaspora In doing so she enlarges the understanding of cultural identity in general how it is defined and preserved how it evolves over time and how both the politics of distant places and the most intimate family habits can shape an individual's sense of self *Identity Culture and Politics in the Basque Diaspora* is a major contribution to the knowledge of Basques and their persistent political and cultural traditions Nations and Nationalism Guntram H. Herb, David H. Kaplan, 2008-05-22 A comprehensive and revealing compilation of essays analyzing the varied dimensions of national identities and nationalisms across world regions and through time The pervasiveness of nationalism its many manifestations over the centuries and the widely scattered way it has been studied make it a particularly difficult subject to approach and explore ABC CLIO offers the finest comprehensive reference available on an essential topic in modern world history Across four volumes *Nations and Nationalism A Global Historical Overview* covers all aspects of nationalism in all parts of the world from the time of the French Revolution to the present day *Nations and Nationalism* helps students researchers and other interested readers explore national identities and nationalistic movements in historical context Organized chronologically its four volumes combine thematic essays on different characteristics of nationalism with case studies of key historical developments involving specific nations at specific times The encyclopedia focuses on Europe Latin America Africa and Asia with featured coverage of nationalist cultural creations including literature music symbols and

mythologies **Politics, Culture, and Sociability in the Basque Nationalist Party** Roland Vazquez, 2010-11-28 Until now social scientists studying Spanish politics have focused on party systems regime transition and election analysis and anthropologists studying Spain have largely neglected its political parties This book is a pathbreaking work of political anthropology and an ethnographic study of the Basque Nationalist Party PNV Author Roland Vazquez studies Basque nationalism as not merely a political phenomenon but as a cultural and social one as well He examines the forces that have shaped the Basque political panorama the nature of Basque political campaigns Basque cultural and social movements both inside and outside the explicitly partisan milieu and the role of other parties in the Basque Country The study is enhanced by extensive interviews and broad fieldwork among Basque contacts of diverse backgrounds and loyalties The result is a vivid portrait of political life in the contemporary Basque Country of the tensions between various nationalist parties and philosophies and of the way politics are influenced by Basque notions of community social connections and national identity The book also serves as a model for studies of other political and nationalist movements and the cultural and social ties and values that drive them Ethnonationalism in the Contemporary World Daniele Conversi, 2004 Essential reading for anyone interested in problems associated with ethnicity and nationalism it offers a guide to understanding the ethnonational forces that underpin much of recent terrorist activity **Nationalism, Violence and Democracy** Ludger Mees, 2003-06-24 Ludger Mees offers the first comprehensive study of one of Europe's most protracted ethnic conflicts He carefully analyzes both the historical roots of the conflict and its later growing violent dimension Special attention is paid to the framing of a new opportunity structure during the 1990s which facilitated the first serious but ultimately frustrated attempt to broker a settlement In the light of different theoretical and comparative approaches the reasons for the dramatic return of terrorism and the possibilities of a more successful conflict de escalation in the near future are discussed **Radical Basque Nationalist-Irish Republican Relations** Niall Cullen, 2023-12-14 This volume explains the genesis and development of the nexus between radical Basque nationalists and Irish republicans how they have learnt from each other historically and how they have utilised this relationship at times to their benefit From medieval tales of shared origins to the violent conflicts largely wrought by ETA and the IRA the Basque Country and Ireland have long been associated in popular imagination Despite this little is known of historical Basque Irish relations and in particular the web of party political military and social movement connections between radical Basque nationalists and Irish republicans since the Irish Revolutionary Period 1916-23 Drawing on extensive archival research undertaken in Spain Ireland and the UK and more than 70 interviews conducted with politicians former paramilitaries and grassroots activists this is the first study to comprehensively document and analyse the emergence evolution and implications of this mythified transnational relationship Radical Basque Nationalist Irish Republican Relations A History will appeal to students and scholars of Irish republicanism Basque nationalism terrorism studies and social movements studies as well as those interested in the contemporary history of Western Europe's two most

volatile regions *Basque Nationalism and Political Violence* Cameron Watson, 2007 This text examines the relationship between ideas and action through a historical account of how images of violence and warfare pervaded the discourse of Basque nationalism Watson argues that a culture of political violence emerged within the Basque nationalist movement that eventually resulted in the 1959 creation of ETA Women and ETA Carrie Hamilton, 2013-07-19 Drawing on a unique body of oral history interviews archival material and published sources this book shows how women's participation in radical Basque nationalism has changed from the founding of ETA in 1959 to the present It analyses several aspects of women's nationalist activism collaboration and direct activism in ETA cultural movements motherhood prison and feminism By focusing on gender politics *Women and ETA* offers new perspectives on the history of ETA including recruitment the militarization of radical Basque nationalism and the role of the media in shaping popular understandings of terrorism These arguments are directly relevant to the study of women in other insurgence and terrorist movements The book will be of interest to scholars and students of history Hispanic studies gender studies anthropology and politics as well as to journalists and readers interested in women's participation in contemporary conflicts and terrorist movements ETA's Terrorist Campaign Rafael Leonisio, Fernando Molina, Diego Muro, 2016-07-28 This book analyses the rise and decline of the Basque terrorist group Euskadi Ta Askatasuna ETA Basque Homeland and Freedom ETA declared a unilateral ceasefire in November 2011 bringing to a close a campaign of political violence that started in the late 1960s By the beginning of the twenty first century the overwhelming majority of secession supporters agreed that an independent Basque homeland would be realised through ballots and not bullets Providing an inter disciplinary overview of radical Basque nationalism that pays special attention to the drivers for ETA's decline defeat and disbandment this book includes chapters by historians political scientists and sociologists who offer three important theoretical and empirical contributions to the literature on nationhood and security studies Firstly the book re assesses the military conflict that opposed ETA and the Spanish state by paying special attention to tactical and strategic considerations as well as the counter terrorist policy itself Secondly it provides an original interpretation of the politics of fear which surrounded the process of victimization as well as assessing the extent to which the issue of violence led to the polarisation of citizens Thirdly the authors examine the historical narratives and rituals that contributed to the production and reproduction of identity binaries and memories of war Arguing that the defeat of ETA must be contextualised within the strategic evolution of Basque nationalism the declining resonance of the radical message and the effectiveness of the Spanish counter terrorist effort this book is essential reading for students and scholars working in the areas of European politics nationalism and terrorism studies

Basque Politics And Nationalism On The Eve Of The Millennium Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Basque Politics And Nationalism On The Eve Of The Millennium free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Basque Politics And Nationalism On The Eve Of The Millennium free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Basque Politics And Nationalism On The Eve Of The Millennium free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Basque Politics And Nationalism On The Eve Of The Millennium. In

conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Basque Politics And Nationalism On The Eve Of The Millennium any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Basque Politics And Nationalism On The Eve Of The Millennium Books

1. Where can I buy Basque Politics And Nationalism On The Eve Of The Millennium books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
