Build My Church:

Jesus Said, "I Will Build My Church" Don Faix, 2021-09-23 Where is this church of power that we see in the Book of Acts Where are the local bodies of believers that manifest the supernatural power of God today Has the desire to preach the gospel and win souls all but disappeared from the local church This intense and challenging book seeks to answer the simple question How did Jesus intend every local church to be built It will present the ten most basic principles in the building of every local church After some 30 years of doing seminars on the concept of build every church that received this teaching has admitted to applying less than two of these principles As a result many sitting in the church pews are just not saved Further there is a lack of discipleship to equip the saints to go forth and advance the kingdom of God The hope of this book is to see a restoration of local churches Churches that will turn from their traditions and man made ways of growing a church to building a church that the Lord will take pleasure in and be glorified

Jesus Said Rudi Louw, 2014-07-31 The word church does not refer to a building or an organization but to a people who understand their identity in Christ In Matthew 16 18 Jesus basically said that you are petros speaking of a rock splinter or a small piece of rock which comes from a bigger rock petra and upon this petra upon this revelation of who I am and who you are upon this revelation of My true identity and your true identity revealed I will build My CHURCH My EKKLESIA My people who know and believe their identity revealed in Me and the gates of hades spiritual strongholds of ignorance and blindness the very forces of darkness itself will not prevail against them When I discover Jesus for who He really is He shows me who I really am I am no longer a simion like a reed you know just following and leaning towards whatever direction the wind is blowing No He shows me my true identity He makes me a petros a rock Steadfast and immovable secure in that identity in that image of me revealed in Him And now Jesus says that the gates of hell the gates of hades the resistance of the enemy to maintain his ground will not prevail against us That means that as we share these things with people the enemy will not prevail in his efforts to keep them ignorant and deceived concerning their true identity revealed in Jesus

Jesus Said ,19?? On This Rock I Build My Church Shaolin Mb Abrams Sr, 2019-05-30 Matthew 16 13 19 When Jesus came into the region of Caesarea Philippi He asked His disciples saying Who do men say that I the Son of Man am So they said Some say John the Baptist some Elijah and others Jeremiah or one of the prophets You will notice that in giving this answer they are saying that everyone they had talked to said that He was someone from the past He said to them But who do you say that I am Simon Peter answered and said You are the Christ the Son of the living GOD Jesus answered and said to him Blessed are you Simon Bar Jonah for flesh and blood has not revealed this to you but My Father who is in heaven And I also say to you that you are Peter and on this rock I will build My church and the gates of Hades shall not prevail against it And I will give you the keys of the Kingdom of Heaven and whatever you bind on earth will be bound in heaven and whatever you loose on earth will be loosed in heaven Here we have a short passage in which Peter as a representative or spokesperson for the other disciples recognized under GOD s inspiration

that Jesus was the Messiah the Son of GOD As soon as he said this Jesus then says in response that He will build His church It is as if having confessed this to Jesus having come to the realization of who He was then Jesus said Great that s what I was looking for and now I can begin to build My church Then He adds that the gates of Hades will not prevail against it meaning that now that it has begun it will go on forever until its purpose is accomplished but we know from secular history and we can see bits and pieces of it within GOD s Word that within a couple of generations the church Jesus founded had been corrupted both from within and without However Jesus word stands true in that He did found that church and it will continue despite death despite all the machinations of Satan the Devil and it will continue and does continue to this day By the beginning of the second century the church that appears under the name Christian is nothing like the one that turned the world upside down after that day of Pentecost in AD 31 Biblical scholar Jesse Lyman Hurlburt who said that when the curtain was raised on the second century the church that appears as Christian is totally different from the one that Jesus founded It certainly seemed that when the corruption set in on the church that it would collapse and die but the few faithful children of GOD went underground for the most part They fled to remote but still peaceful areas of the Roman Empire and even went beyond the empire where they could practice their faith without persecution The church that was left behind by these faithful people became this corrupted church This visible corrupt church appropriated the name Christian and took on a form of righteousness that adhered in some ways to the teachings of Christ but as the decades rolled on it found itself unable to even uphold many of those By the time you get to the fourth century and the time of Constantine and the great councils of that church they had rejected a major portion of true Christianity but they continued on as the visible church This corruption in that visible church became especially evident during the late Middle Ages in the 14th and 15th centuries Lately I have been reading a book called A Distant Mirror the Calamitous 14th Century by Barbara W Tuckman which I highly recommend It is an excellent historical survey of the cultures people and events during the time of the Hundred Years War The Hundred Years War was that great war between England and France that just dragged on and on because of the territorial ambitions of the kings of England One of the major players in this century and in these wars was the Roman Catholic Church That was the name of the successor of that visible Christian but corrupt church that came out of the second century **Barnes**

Notes on the NT (Barnes) Albert Barnes, Verse by verse the author covers the entire New Testament carefully and understandably explaining every verse and offering a practical application for Christian living **Upon This Rock I Will Build My Church** Brondon Mathis, 2012-04-02 From Matt 16 13 17 this book will explore the Rock that the church was built upon to position her to accomplish her end time purpose in the earth From these verses we can see clearly what the rock is 1 The Church was built upon the Revelation of Jesus Christ Thou art the Christ the Son of the Living God 2 The Church was built for battle the gates of hell will not prevail against it 3 The Church was built upon Prayer to bind the kingdom of darkness and to release heaven on earth and whatever you bind on earth shall be bound in heaven whatever you loose on

earth will be loosed in heaven To accomplish her mission the church must understand the person revealed in the book of the Revelation of Jesus Christ Only the church built upon this rock will be able to withstand the gates of Hell at the end of the age to prepare the earth for the coming kingdom of God Unlocking the Third Reformation Sarel van der Merwe, 2022-03-27 Where are you in your spiritual development as a child of God Are you out of Egypt the land of slavery or in the wilderness living from bare necessities Or are you entering the promised land abundant life in Christ Jesus and a land overflowing with milk and honey Sarel van der Merwe a dynamic teacher of God's truths reveals insights that will help you move closer to God the Father as a radical Jesus disciple Learn how to cultivate an intimate relationship with and be filled with the fullness of the Holy Spirit pray effectively with authority and power as a son or daughter of Almighty God experience the true value and meaning of a journey to maturity with God The author uses the image and allegory of the three room tabernacle of Moses the temple of God and the earthly manifestation of the presence of God to explain the unique New Testament three fold process of personal and church life reformation into Christ The tabernacle model can be used as the basis for your three fold Reformation journey that will help you become mature in Christ **A New Witness for God**

Volume 1 (of 3) Brigham Henry Roberts, 2014-12-02 Example in this ebook Three quarters of a century have passed away since Joseph Smith first declared that he had received a revelation from God From that revelation and others that followed there has sprung into existence what men call a new religion Mormonism and a new church the institution commonly known as the Mormon Church the proper name of which however is THE CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS Though it may seem a small matter the reader should know that Mormonism is not a new religion Those who accept it do not so regard it it makes no such pretensions The institution commonly called the Mormon Church is not a new church it makes no such pretensions as will be seen by its very name the Church of Jesus Christ of Latter day Saints This of itself discloses what The Mormon Church claims to be the Church of Jesus Christ and to distinguish it from the Church of Jesus Christ that existed in former days the phrase of Latter day Saints is added Mormonism I repeat is not a new religion it is the Old Religion the Everlasting Gospel restored again to the earth through the revelations received by Joseph Smith At a glance the reader will observe that these claims in behalf of Mormonism pre suppose the destruction of the primitive Christian Church a complete apostasy from the Christian religion and hence from the standpoint of a believer Mormonism is the Gospel of Jesus Christ restored and the institution which grows out of it the church is the Church of Jesus Christ re established among men During the three quarters of a century that have elapsed since the first revelation was announced by Joseph Smith the world has been flooded with all manner of rumors concerning the origin of Mormonism its doctrines its organization its purposes its history Books enough to make a respectable library as to size have been written on these subjects but the books in the main are the works of avowed enemies or of sensational writers who chose Mormonism for a subject because in it they supposed they had a theme that would be agreeable to their own vicious tastes and perverted talents and give satisfactory returns in

money for their labor This latter class of writers have not only written without regard to truth but without shame They are ghouls who have preyed upon the misfortunes of an unpopular people solely for the money or notoriety they could make out of the enterprise That I may not be thought to overstate the unreliability of anti Mormon literature I make an excerpt from a book written by Mr Phil Robinson called Sinners and Saints Mr Robinson came to Utah in 1882 as a special correspondent of The New York World and stayed in Utah some five or six months making Mormonism and the Latter day Saints a special study On the untrustworthiness of the literature in question he says Whence have the public derived their opinions about Mormonism From anti Mormons only I have ransacked the literature of the subject and yet I really could not tell anyone where to go for an impartial book about Mormonism later in date than Burton s City of the Saints published in 1862 But put Burton on one side and I think I can defy any one to name another book about the Mormons worthy of honest respect From that truly awful book The History of the Saints published by one Bennett even an anti Mormon has styled him the greatest rascal that ever came to the West in 1842 down to Stenhouse s in 1873 there is not to my knowledge a single Gentile work before the public that is not utterly unreliable from its distortion of facts Yet it is from these books for there are no others that the American public has acquired nearly all its ideas about the people of Utah To be continue in this ebook *Notes, explanatory and practical, on the New Testament. ed. by R. Frew* Albert Barnes,1884 **Notes on the New Testament, Explanatory and Practical** Albert Barnes,1868
