Without the close, there is no sale. Pretty obvious, right? Yet for many salespeople, closing is the most baffling and elusive part of the selling process. All too often, salespeople meet qualified clients and charm them with an eloquent presentation, only to see the sale mysteriously slip from between their fingers in the end. Which is sad when you consider all the hard work, the prospecting, preparation, planning, and practice done for the sake of a moment of truth that never arrives. Fortunately, closing is an art that can be mastered, and now *Sales Closing For Dummies* shows you how. Packed with powerful principles that can help you become a top producing salesperson, *Sales Closing For Dummies* is the ultimate guide to mastering that most mysterious part of the selling equation.
